Dear Parents and Carers,

As part of our "Stone Age to the Iron Age" IPC topic, we will be going to Croham Woods to build shelters. This is an opportunity to get the children both excited and immersed in the topic in a really fun way.

We will leave school sometime during the school day so you don't have to make any special arrangements as they will have lunch in school as usual.

The weather is forecast to be good, but they will need coats. However, they should wear track bottoms and old trainers, in case it is a little muddy. The session will be within the school day so pick up will not be disrupted.

Yours sincerely

The Year 3 Team
