

Winter Park Social Distancing Guidelines and Expectations

- ✚ All staff and students will be required to wear an approved mask or face covering. The mask or face covering may only be removed to eat or drink and during scheduled mask breaks or vigorous outdoor activity. We will be teaching students proper mask wearing and handling but will need your support at home to make this a smooth transition.
- ✚ Students must maintain 6 feet distance from others. Our hallways have been marked every 6 feet with distancing signs and arrows indicating which side of the hall to walk on. Classrooms have been arranged for social distancing with visual cues to help students maintain social distancing throughout their school day.
- ✚ Students will have their own classroom materials that Winter Park has provided for them.
- ✚ Custodians have increased their sanitizing efforts and frequent cleanings, based on an hourly schedule, to bathrooms and other high-touch areas. Teachers will clean all classroom desks and chairs, inside and outside, at the end of the day.
- ✚ Our parents and volunteers have always played an important role at Winter Park. At this time, parents, visitors, and volunteers will not be allowed inside the school. We are looking forward to the time when this changes and will let you know!
