

Norah Stotz  
Class of 2024

Hi there! My mom told me that this would look good on college applications, so clearly that makes me the best choice. In all seriousness, though, I love school and I've worked hard to be a good classmate and a highly academic student. I've been a part of the Peer Supporter and Peer Helper groups, as well as the Excel club. I've done well in leadership positions in both the Excel club and Student Council. Last year, I was even awarded the Citizenship Award for all of my community service. I believe that I am one of the best people to represent our grade because of my dedication and motivation to work for our school community. I think very highly of the class of 2024 and would be honored to represent our class as an officer. Plus, I'll do the work so you don't have to.
