Preliminary Objectives:

- 1. Establish and implement 2, 5, and 10 year District strategic quantitative and qualitative goals with concentration in four pillars that will feed our ultimate Vision of the Graduate: (1) Student achievement (2) Teacher excellence (3) Student health & wellness (4) Sustainability**
- 2. Partner and survey with key stakeholders, community leaders, and residents as Plan is created, developed, and implemented with specific communication touchpoints (includes Haddam & Killingworth Board of Selectmen, Haddam & Killingworth Board of Finances, parents, and students.**
- 3. Create Strategic Plan summary document that will contain the basic framework for direction of the District (includes mission, vision, guiding principles, goals, objectives)**
- 4. Create project implementation and tracking/monitoring plan with key milestones and metrics to ensure alignment with Strategic Plan**
