Why MSOE? We've been preparing students
to solve the complex challenges of today and
tomorrow since 1903.

Rethink how much you can accomplish in the
right environment. One with more labs than
lectures. Small classes where you can't help
but feel engaged. A fast-paced quarter system
and direct-entry programs. Student-focused
professors with real-world experience.

Matt Blain

Major: Construction Management

Hometown: Huntley, IL

Internships: Power Construction Company
and GE Johnson Construction Company

Activities: Concrete Canoe Team,
Student Ambassador, Resident Assistant,
Baseball Team, Sigma Lambda Chi Honors
Society, Professional Construction Society,
Mechanical Contractors Association of
America, Design-Build Institute of America

Danielle Valley

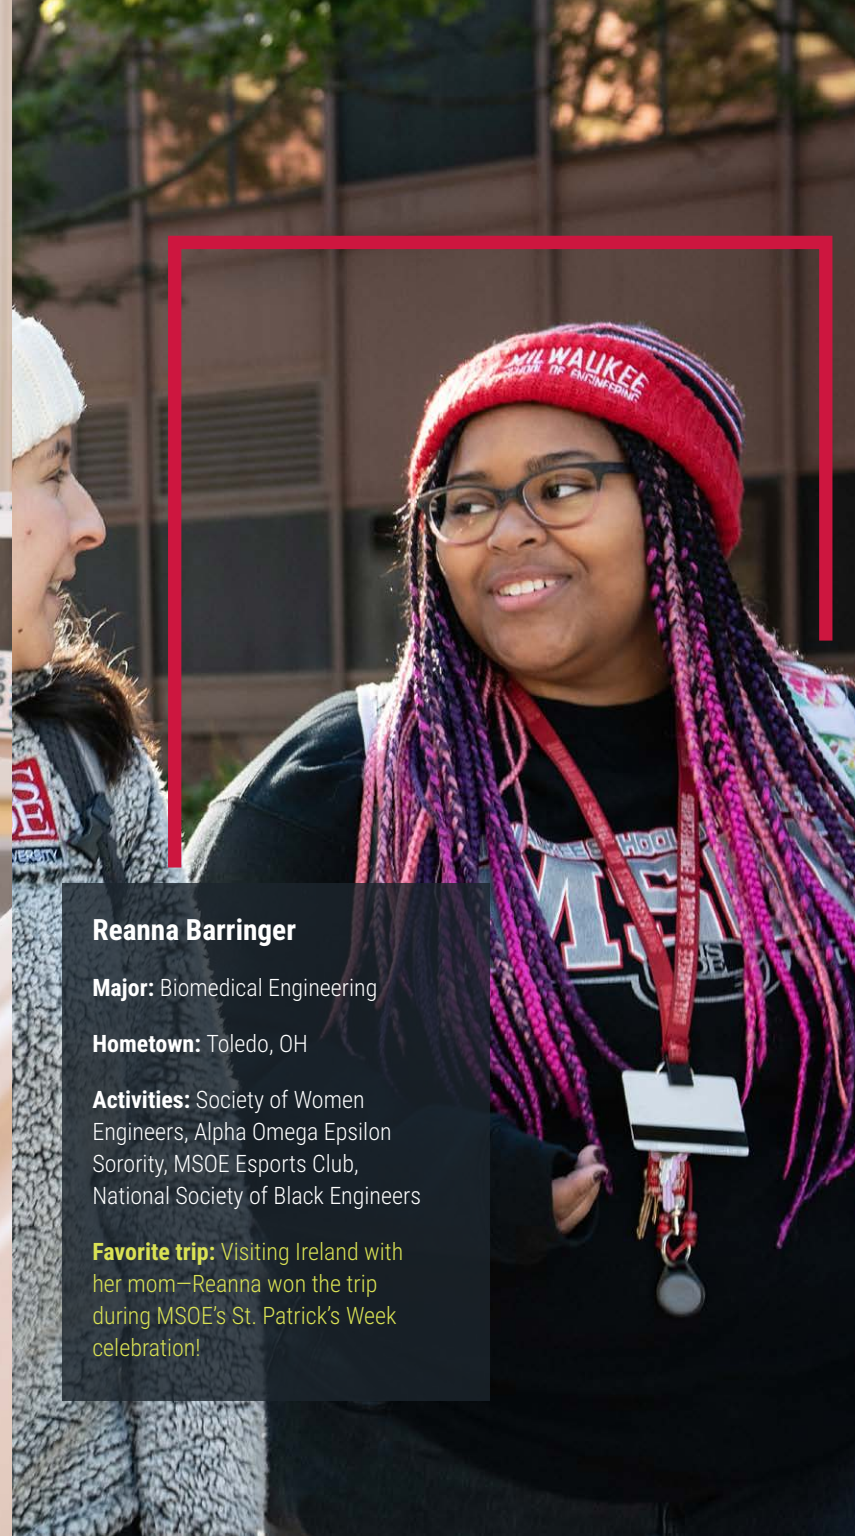

Major: Nursing

Hometown: Oconomowoc, WI

Activities: Global Brigades, Student Nurses Association, Resident Assistant

Loves: Wearing Crocs, walking along Lake Michigan

Best spot on campus: Grohmann Museum rooftop sculpture garden

Reanna Barringer

Major: Biomedical Engineering

Hometown: Toledo, OH

Activities: Society of Women Engineers, Alpha Omega Epsilon Sorority, MSOE Esports Club, National Society of Black Engineers

Favorite trip: Visiting Ireland with her mom—Reanna won the trip during MSOE's St. Patrick's Week celebration!

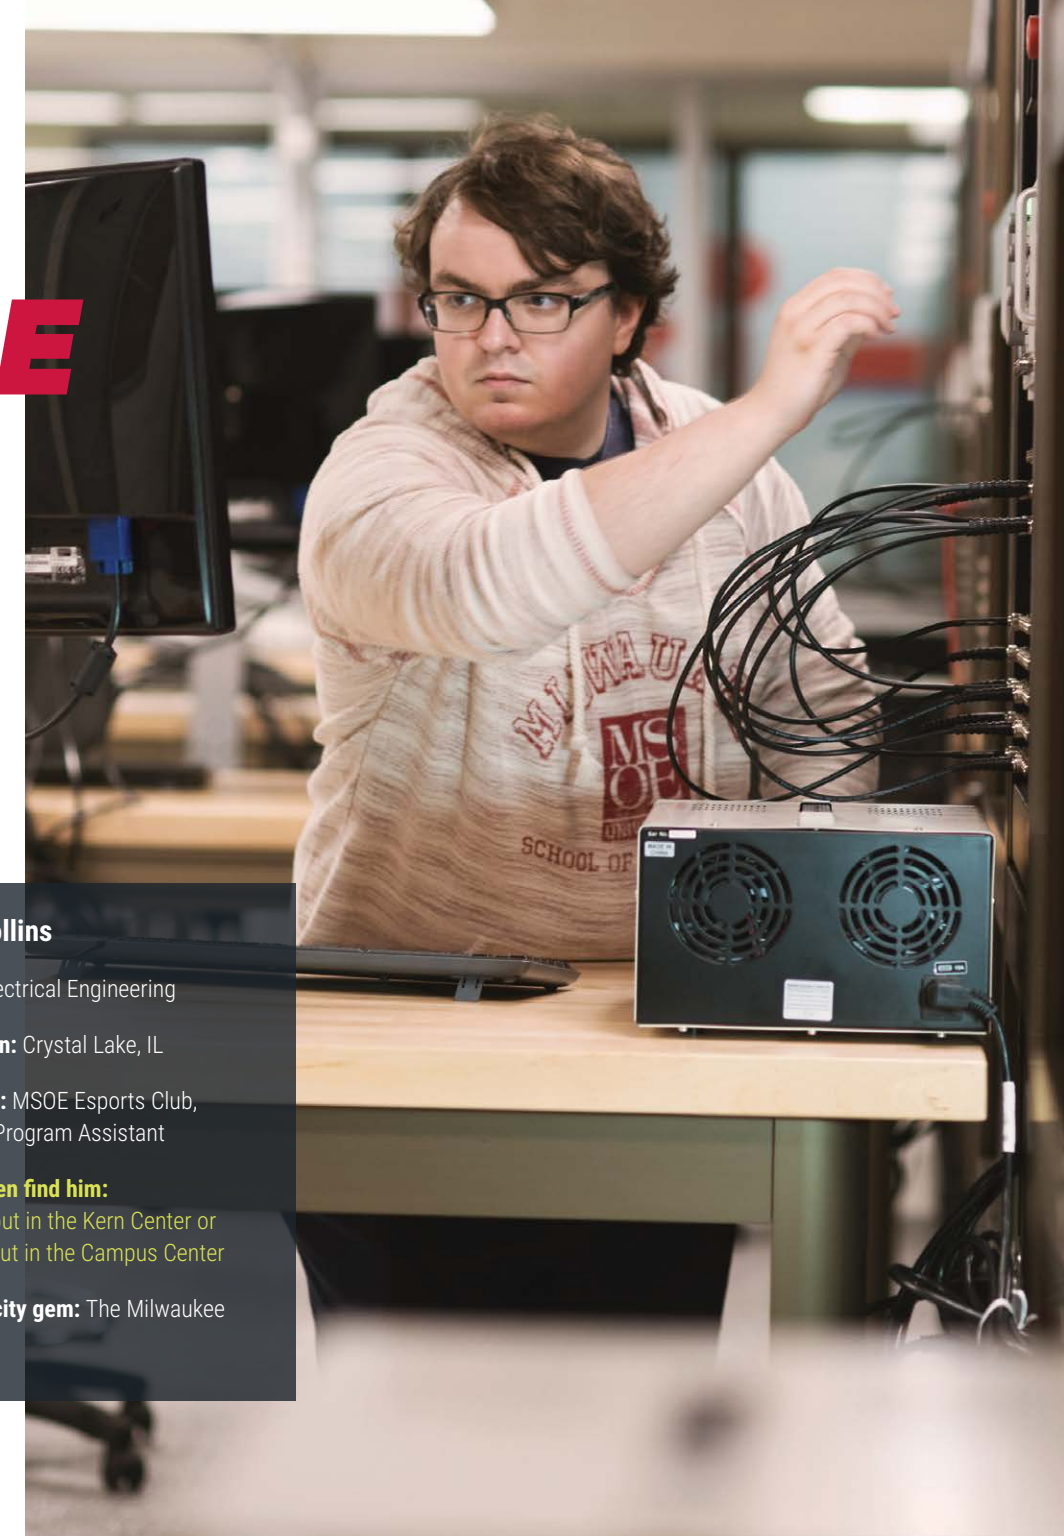

THE POWER OF ***EXPERIENCE***

MSOE students are known for their work ethic, technical prowess, innovative mindset and being ready on Day 1. Our students gain experience by learning from industry experts, holding internships, traveling the world and joining clubs.

Companies compete for our grads.

The proof is in the job offers from:

- Amazon
- Children's Wisconsin
- Collins Aerospace
- Foley & Lardner LLP
- GE Healthcare
- Google
- Harley-Davidson
- Johnson Controls
- Milwaukee Tool
- Power Construction Company
- Rockwell Automation
- SpaceX
- Tesla

Jack Collins

Major: Electrical Engineering

Hometown: Crystal Lake, IL

Activities: MSOE Esports Club, Summer Program Assistant

You'll often find him: Working out in the Kern Center or hanging out in the Campus Center

Favorite city gem: The Milwaukee RiverWalk

CRAFTABLE

STUDENT LIFE

Rethink what you want out of college. At MSOE, you can design an experience that fits your life, your interests and your passions. Because the key word in student life is *life*. And it's yours for the making.

Find your fit!

100+ student organizations, including ...
