

Milly (Amelia) Marcous 2024

Throughout my time as a student, I have always considered myself an active part of our community. Whether it's playing sports, supporting my peers, or school, I always strive to succeed. When I saw the opportunity to represent my classmates I was thrilled. I would love to be a part of this wonderful experience because I understand how stressful school can be. The countless hours of work and social pressure can be difficult and take a major toll on our mental health. I promise that I would use this chance to make our high school experience as enjoyable as possible. If I am a class officer I will advocate for events to benefit our entire class. Your happiness should be your main priority, and I would love to help make that goal come true.
