To Parent or Guardian:

The welfare of your child is our first consideration. In case of the serious injury or illness of a student in school, the following steps will be taken immediately: The school nurse will be called; emergency line 911 will be called, if deemed necessary, and you or the person designated on this emergency card will be called. If none of the persons listed can be reached, school personnel will implement emergency procedures to protect the health and safety of your child. It is your responsibility to make arrangements for proper care in case your child is injured or becomes too ill to stay in school when you are away from home.

There have been instances when we could not reach parents or guardians of injured or ill children because this card was not accurate. Please complete this card so we can keep our records up-to-date and initiate emergency care quickly. This information is confidential. Your signature acknowledges that this information will be maintained both at school and on the bus. If there are any significant changes in your child's health, please call to keep your child's school nurse informed.
