AT CHARLOTTE CHRISTIAN,

we believe it is imperative to employ teachers who are dedicated professionals, experts in their content area and who are **passionate about Jesus, their students** and learning.

Our commitment to college preparation and educational excellence begins in lower school where our program is intentionally designed to develop students who are inquisitive, engaged and challenged **to explore God's creation and our impact on culture** – in the classroom.

Our vision continues with the middle school where students can explore their interests and hone their God-given gifts. Our program encourages students to pursue those interests and gifts in greater depth, challenge our students to pursue new experiences and support adolescent learners. The upper school provides **robust academic offerings**, which allow students to customize an academic program to fulfill specialized interests, embrace intellectual curiosity and **encourage students to wrestle with life's questions from a biblical worldview**.

We are called to prepare our students for the imminent experience of college, but most importantly, for the greater endeavor of life. Loving God with all our mind means we must prepare our students to be **lifelong learners who can think critically and be powerful, effective communicators**. We must help them develop a foundation that prepares them to think creatively in a variety of scenarios and to flourish in global environments where teamwork and collaboration are expected and thus to ultimately impact the culture for Christ.

Dr. Theresa Kasay | Chief Academic Officer

LOWER SCHOOL

GRADES
JK-5

- Passionate and dedicated teachers foster curiosity and exploration
- Balanced curriculum featuring academic rigor and co-curricular activities
- Small group instruction to meet the needs of each child
- Dedicated lower school counselor and media center specialist

36 intramural programs
& after school clubs

20 teacher assistants
(one in every LS classroom)

7 weekly academic
enrichment classes
(art, media center, music,
P.E., Spanish, STEM Lab, technology)

1 **READING
KNIGHTS**

incentive program encourages
reading and instills a lifelong
love of books

17,808

books read collectively by lower
school students last year

MIDDLE SCHOOL | GRADES 6-8

- Dedicated middle school counselor and teachers committed to the specific developmental needs of this dynamic age group
- Further develop independence, self-advocacy and attitudes necessary for future-ready learners
- Build community and encourage a biblical worldview through weekly chapel, Bible curriculum and advisory meetings
- One-to-one iPad program for every middle school student as part of the iKnights Technology Program

26 elective 
13 co-curricular clubs
 **3** Regional Scholastic Writing and Art Awards
18  advisory teams

1 **CREATION SPACE**   
a makerspace dedicated to providing a home for collaboration and creative design processes like robotics, engineering, digital technology, building and fabrication

UPPER SCHOOL

GRADES
9-12

- **Educate with Excellence:** College preparatory program provides a solid sequence of core courses along with diverse elective offerings. One-to-one MacBooks for every upper school student as part of the iKnights Technology Program.
- **Equip for Relevance:** Rich spiritual life programs aimed at the development of a biblical worldview and preparation for life ahead. Weekly chapel, advisory, leadership and service are an integral part of the balanced program.
- **Encourage by Relationship:** Supportive community where students are known and mentored by a committed faculty throughout the upper school experience, including our counselors shepherding students and parents through a comprehensive college counseling program.

ATHLETICS

Charlotte Christian competes in the 4A division of the North Carolina Independent Schools Athletic Association (NCISAA) and is a member of the Charlotte Independent Schools Athletic Association (CISAA). The athletic department offers 21 sports (boys and girls) and fields 51 teams in those sports at the middle school, junior varsity and varsity levels. More than 75 percent of Charlotte Christian students in grades 7-12 participate in school-sponsored athletics. A comprehensive strength and conditioning program and on-campus trainers exists to safely prepare middle and upper school athletes for the rigors of competition.

76 athletes have signed to participate in athletics at the collegiate level in the last five years

30 state championships won since 2000

22 CCS athletes have competed at the professional level

FINE ARTS

Fine arts are an integral part of student life at Charlotte Christian. Our extensive award-winning program includes studies in music, theatre, and visual arts with opportunities to explore various aspects of the fine arts curriculum. Lower school students build a strong foundation in the arts through experiences in visual art and Orff music education. Middle school students use that foundation as a launch point to dive deeper, hone skills and incorporate digital tools into their fine arts education. Performance ensembles begin in middle school and culminate in upper school with honors level choir, band, orchestra, jazz band, chamber ensemble and the ACT 1 competitive theatre team. Higher level course offerings in the arts include AP Studio Art, AP Art History and AP Music Theory. A multitude of fine arts electives are available including digital photography, guitar, digital music and much more.

27 Wells Fargo Blumey Award theatre nominations

19 Regional Scholastic Art Awards in 2020, including four Gold Keys
