

## **School Screenings/Health Mandates for Hybrid and E-learning Students**

**Dear Parents/Guardians,**

**Every year your child is screened by the School Nurse for their vision, height, and weight.**

**Additionally, students in K-3rd grade are screened for hearing.**

**State Health Mandates for all kindergarten students are a physical exam, up to date immunizations, and a dental exam. 3rd grade students need a dental exam, too.**

**All new students need to have a physical/dental exam and be up to date with immunizations.**

**It is optional to schedule screenings for those students that are doing E-learning. If you are interested, please call me to schedule an appointment at 610-351-5880.**

**Stay healthy,  
Mrs. Jennifer Kubik, RN, BSN, CSN**
