Thanks for a Great Start to School!

Parents, thanks for all you are doing to help your child succeed in school. We appreciate your willingness to monitor your children and communicate with staff. Now more than ever, it takes all of us working together to make learning happen!

Morning Arrivals

Parents may drop students off at any door in the morning. Allowing students to enter through any door helps to prevent crowding. Doors are monitored by staff and all entries are secured as soon as school starts.

Distance Learners - Student IDs

Student ID cards are available to pick up during school hours at the attendance window (Door A).
