

## Dear Parents and Carers 12.10.20

It has been great to see the children coming to school so happily this week and they are getting used to our new morning routines.

Don't forget, home learning can be brought into the academy from Friday 16th October.

### English

This week we will continue reading our text "One Day on our Blue Planet." We will continue to focus on our presentation of a sentence, ensuring we remember capital letters, finger spaces, full stops and form our letters correctly. This week children will be in the role of the lion cub in the story and write a letter describing a day in the Savannah.

### Maths

Within maths this week, we will be continuing our work with numbers within 50 and extending this to numbers up to 100. We will be representing numbers to 100 in words and numerals. We will be continuing our work on tens and ones and understanding one more and one less.

### Wider curriculum

Within learning journey the children will be identifying the human geographical features of Hastings and comparing these to South Africa. Look out for the pier, station etc when you are out and about.

We will also be continuing to think about the importance of friendships and how we can be a good friend.

### Sounds Write

This week we will be introducing the spelling and building words containing the sound /air/ We will discover there a many different ways to represent the sound - air, ear, ere, are, eir, ayer, ayor

Please practice the following words and generate other words with these sounds.. ..air bear there their care

Look out for the assigned mathematics and rock stars times tables.
