

Ms. Gottsegen Memo to Parents and Students
10/15/2020

Monday, October 19, 2020.

Here is the plan for the day:

- Morning classes are cancelled.
- 8:30 - 9:30 **Gold** students come in as well as remote students who participate in extracurricular activities that require students to come into the building.
- 10:00 - 11:00 **Purple** students come in.
- Students, **please be on time** for your testing appointment. **Late comers cannot be tested and therefore may not come to the school building until the next go-round of testing.**
- Students should return home immediately after testing to attend **Periods E, F, G** remotely.

If all tests come back with negative results, **Gold** hybrid students would return to school on Tuesday, October 20, 2020. Be on the lookout for an early morning email with test results.

***Please understand that the New York City Department of Health requires schools to report the contact information of students who came into contact with the infected student.**

Prayers for your safety and good health!
