CARE AND SUPPORT AT CHARTERHOUSE

CHARTERHOUSE

OVERVIEW

We want every pupil at Charterhouse to feel Safe, Secure and Supported. There is no problem too small or too big; please do talk to somebody, we are always available to help.

CARE

If you need advice, or want to talk over a problem, you will usually go to your House Monitors or Head of House, Housmaster, Assistant Housemaster, Tutor or Matron. Other sources of support include the following sources of assistance.

Hunt Health Centre (HHC)

In general, Matrons will deal with minor medical issues in House. For more serious concerns, or if you wish to see a Doctor or Nurse, you may ask in House for an appointment to be made.

The HHC provides 24-hour nursing cover. There is a Nurse on call between 8.00 pm and 7.30 am Monday to Friday, and from 6.00 pm Saturday to 7.30 am on Mondays.

Peer Support

Members of the Peer Support Team will visit each House periodically throughout the year. They provide you with an opportunity to talk to a senior pupil who may have experienced similar situations as they themselves have progressed through the School. You may also contact them directly. Further details may be found in the Peer Support policy.

Greyhound

We want you to be happy at Charterhouse, and to enjoy your time here. We want you to feel safe and secure. If there is anything which is worrying you - anything! - or if you have any problem or concern, one of our experts can probably help you with it. Visit the 'worries and concerns' page on Greyhound.
