

TOPIC KEY – Romans – YEAR Five and Six

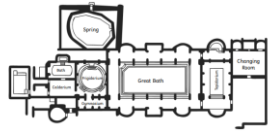

We would like you to use this grid to choose activities to do in the afternoons at home. Some activities may take you more than one afternoon to complete. For each activity you can represent your work as you wish: you may choose to make a video, power point, poster, model, journal, or diary, write a report or letter. It's totally up to you!

You can choose whichever activity you wish. There are 30 to keep you going throughout this half term, so maybe aim for a minimum of 3 per week.
