

Dear Parents and Carers 19.10.20

Wow the final week of term one has arrived quickly in the Mulberry and Dewberry classes. We are so proud of how all the children have returned to school and made such an amazing start to year 2. We hope you have a relaxing half term and look forward to more fun with learning at the start of Term 2 from Tuesday 3rd November.

Dates to remember this week:

Tuesday 20th October—Phonics screening meeting via teams 4.15pm

Friday 23rd October—Inset day—school closed to pupils.

English

This week we will continue reading our text "One Day on our Blue Planet." The children will be generating appropriate nouns, adjectives and verbs and putting these together to create a poem.

We will then publish our poems using our best handwriting and presentation.

Maths

Within maths this week, we will be embedding our knowledge of partitioning two digit numbers in a variety of ways.

We will be supported by resources and recording our findings. We will also revisit counting in 2s and link our previous knowledge to learning our times tables.

Wider curriculum

Within learning journey the children will be designing their own town or city, thinking about which human and physical features they would like to include.

We will also be sharing and celebrating any home learning that the children have completed throughout term one.

Sounds Write

This week we will be continuing spelling and building words containing the sound /air/ We will discover there a many different ways to represent the sound - air, ear, ere, are, eir, ayer, ayor
Please practice the following words and generate other words with these sounds...pair wear where heir share

Look out for the assigned mathematics and rock stars times tables.
