Three Types of Future Work

Implementing

(Priorities - Few Items)

Reviewing

(Items to Investigate)

Considering

(Other Items)

1) Social/emotional education and mental health support

2) Focus on character development, teaching practical lifeskills & thought processes (critical thinking, self-awareness, problem-solving, emotional intelligence)

3) Make sure that students have the tools for good communication, soft skills, problem-solving & conflict resolution

4) Enhance student opportunities beyond the school walls while inviting community experts into schools and our students out into the community

* Consistency re: behavior & policies (collect data & staff perceptions?, policy implementation & communication issues?, student understanding?)

* Efficient use of space & capacities for operations

* Class sizes (ranges appropriate?, specific grade levels an issue?, behavior issues, ability of teachers to develop relationships)

* Reaching learners at all performance levels

* Bullying

* Inclusion & equity work

* Facility expansion & upgrades

* Closer connection & alignment of JCE, RE & CSE
