

ROCORI Schools Survey Results - Community

March 2020 • N = 191

1) What two or three things are going well within the School District?

- **Teachers and Staff**
 - District has wonderful staff and a great culture of learning
 - Teachers work well with children and are inclusive of all in the regular classroom
 - Teachers are the greatest asset- they genuinely care about the well-being of kids

- **Quality communication**
 - Quality communication in a variety of formats (text, email, calls, social media)
 - Great communication for weather days with closings and late starts
 - Communication has improved- early enough, timely, and effective

- **Wide variety of academic programs and activities**
 - College in the high school lets for students to get a jump on their careers
 - AP classes, gifted and talented program, electives in middle school
 - Wide variety of athletic opportunities

2) What two or three things need more attention or need to be improved?

- **Technology**
 - Need plan to get technology for all students at the middle and high school level
 - Embracing an increased use of technology and technology tools in teaching
 - Existing equipment needs to be upgraded/ replaced

- **Class size growth**
 - Keep class sizes small so individualized attention can be given
 - Shouldn't tax local residents for space issues created by open enrollment
 - Class sizes approaching 30 students- district should close open enrollment or hire more teachers

- **Student behaviors/bullying**
 - Following through on discipline for bullying behaviors
 - More training and education – make more children feel included
 - Teachers need to more directly address bullying and behavioral issues
