

Alice Smith Parental Involvement Plan 2019-20

Everyone gains if school and home work together to promote high achievement of our Alice Smith students. The purpose of this plan is to encourage and help you become involved in your child's education. It also lists how Alice Smith intends to include parents in all aspects of our Schoolwide program. Parents are invited and encouraged to participate in the planning of and implementation of both our Schoolwide program and Parental Involvement Plan.

Alice Smith provides multiple opportunities to learn about the Schoolwide Program.

1. Each fall Alice Smith will hold an Open House night and parent-teacher conferences in order to provide information regarding the Schoolwide program.
2. Each fall Alice Smith will hold an Annual Schoolwide meeting where parents can learn more about the Schoolwide program, curriculum, academic expectations, and assessments.
3. Alice Smith will provide transportation and interpreter services for both the conferences and Annual Schoolwide meeting if needed.
4. Alice Smith will translate common communications in Spanish and Somali.

Alice Smith wants you to understand the standards we are setting for your children and why your children may be offered extra services in order to meet those standards.

2. Results of Minnesota Comprehensive Assessment (MCA) scores are provided at both conferences and via mail to individually show your child's performance level in reading and math. Measures of Academic Progress (MAP) scores will be provided at conferences and sent home with report cards. They are also available on Infinite Campus.
3. Conferences will be held two times a year and report cards will be sent home two times a year.
4. Alice Smith provides access to all staff via phone, email, and our district website.
