Dear Dana families,

The days might feel long, but the weeks are passing by quickly. We are two weeks away from the end of quarter 1 and I would like to sincerely thank our parents, caregivers, and loving family members that have supported our students throughout this journey. Education has always been a team effort, where we are most successful when caregivers, school staff, and students work together. This has become even more apparent during distance learning and I cannot thank the community enough. I appreciate your resilience, patience, and dedication to your child's education even when things have been challenging and look forward to a successful end to quarter 1! Please see the reminders and information below.

- **PTSA Reminders:**

- Let's stay connected, but in a socially distanced way and spend the evening together at the drive-in movie on Thursday October 22. Be sure to purchase tickets [here](#) or check out our PTSA website for more information. We can't wait to see you there!
- Staying active and moving helps support our physical and mental health. Be sure to keep moving and support our Dana Move-a-thon. Keep earning pledges and keep that heart rate up!

- **School Site Council:**

- We are looking for 2 interested parents to join this year's School Site Council. Please [click here](#) to learn more about it and nominate yourself if you are interested in joining.

You can run your Turkey Trot from wherever you want the entire week of Thanksgiving. Make it fun, dress up, and send in your pics! Run a 1/2 mile with your kids, a 5K with friends, a 10K on your own, or go even further and complete 20.20 miles from November 22-28. Whatever you do, make a plan and reach your goals! Please register by November 4 to ensure that you get your preferred t-shirt size. Questions? - **Conversations with the Counselors: Communication**

For October, we are focusing on **Communication**. We want to provide information and tips to our families about healthy communication as we start the school year. Along with the CARE team, we recorded a presentation that can be found [here](#). After viewing the presentation, we invite parents to attend a live Q&A discussion with the counselors to answer any further questions about communication. These discussions will be held on **October 28th from 4:00-5:00pm**.
