

Shopping with Confidence

Every year, Junior Library Guild's esteemed editorial team reviews thousands of children's and young adult books to find the best of the best for its exclusive collection. Of the 40,000 books published for young readers every year, only the top 3% are deemed worthy to be a JLG Gold Standard Selection. And, 95% of those selections go on to receive starred reviews, countless best-of listings, and industry awards and honors. So, you KNOW they're going to be good!

Detailed information is available for each of these top-tier selections to help you make an informed purchase! To access this information, click on a book's cover image and tap "View Details."
