

Advanced Placement (AP) Testing

If your child is in an AP course and they want to take the end of course exam, there are TWO steps that need to be completed!

1. Join the teacher's online section through the [College Board website](#). AP teachers have provided the appropriate join codes for their classes.
2. Pay for the exam through the [SBHS Business Office](#). For students taking their AP course(s) in the fall, **the deadline to avoid the \$40 late fee is Nov 13th**. Exams are \$100 each or \$15 each for students who qualify for free/reduced cost lunch. If you have any questions, **please email Mr. Dupont at ddupont@sbunified.org**.

Technology Support

Having issues with your iPad?

Please have your student submit a tech ticket (email support@sbunified.org through their school email address). You also may call the Tech Helpline: (805) 696-2700 or visit the SBUSD Office from 8am to 4pm.

Beginning the week of Oct. 12th, over 80 students returned to campus. Small cohorts of 15 students gathered in classrooms and outdoor learning spaces. Students were provided a quiet, supervised space to zoom with their teachers. They also had access to reliable wifi! When asked, "Are you happy to return to school?"

Everyone one responded, "YES!" and you could even see that they were smiling under their masks.

Foundation for SBHS Supports School Re-opening

Good news! The Foundation for SBHS just gave \$25,000 to SBHS so that it can buy items to safely reopen in the wake of the coronavirus pandemic. With these funds, SBHS will purchase up to 25 outdoor tents, HEPA-HVAC units to improve ventilation in the library and in classrooms, and a range of other items needed to support teachers and students coming back to campus.

"The Foundation is able to make this additional donation to the school because of the strong past support of parents and the community," says Katie Jacobs, Director of the Foundation. "Parents who are wondering what they can do to help ensure that SBHS has what it needs to open safely can [donate to the Foundation's joint fundraising drive with the PTSA](#)."

To learn more or make a donation, please visit www.foundationforsbhs.org.
