Dear Friends of Hokkaido International School,

The entire Hokkaido International School community thanks our friends and families who made donations to the HIS Endowment Fund. As part of our 50th anniversary, HIS created the endowment fund to support future student scholarships, teacher professional development, and specific educational purchases. Through their contributions, these donors have laid the foundation for the fund.

HIS raised ¥3,697,859 for the endowment fund this year, a wonderful start to our goal of ¥10,000,000. We thank the donors who helped launch this important fund and truly appreciate their support for Hokkaido International School as we move into our next 50 years.

Our thanks,
Rick Branson
