

**PPE – Nov/Dec** Unit 1, Unit 2 –Both papers are 90 minutes each

**PPE – February** Unit 3 - 75 minutes, combination paper consisting of 3 topics.

**Exams** – May/June 2021

✓ **Intervention – Requested by Head of Department**

✓ **Unit 1– Living with the physical environment**

This unit covers The Challenge of Natural Hazards, The Living World and Physical Landscapes in the UK (Rivers and Coasts).

✓ **Unit 2 - Challenges in the human environment**

This unit covers Urban Issues and Challenges, The Changing Economic World, The Challenge of Resource management

✓ **TOP TIPS:**

Learn key terms and definitions for all of these units.

Make sure you know your case studies and examples (including statistics and specific information)

Read each question carefully and take notice of command words – extra practice exam questions are available from your teacher, but don't forget to look at the advice given for the ones you have already done in your exercise book!

✓ **Unit 3 – Geographical applications** – 75 minutes (Pre-release information for this paper will be available March 2021) Class teachers will work through this with students in lessons for several weeks before the exam. A practice will be completed in the February PPEs.

✓ **TOP TIP:**

Don't forget that Unit 3 will include questions about unseen fieldwork and skills as well as the pre-release **Issues Evaluation** material – make sure you go back over practice questions on this.
