THE WARRIOR WAY

2019-2020 GOVERNANCE BOARD

MISSION STATEMENT

The Woodlands Christian Academy is an independent, Christ-centered, college preparatory school that integrates learning with Biblical faith and challenges our students to reach their highest potential – Spiritually, Academically, Physically and Socially – for the Glory of Jesus Christ.

CORE VALUES

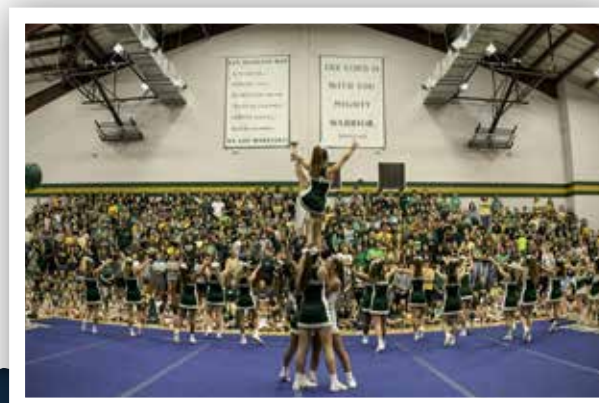

WE RELATE

We thrive in a connected and nurturing community. “These are different kinds of working, but in all of them and in everyone it is the same God at work.” – 1 Corinthians 12:5

WE TRANSFORM

It's not just what we learn but who we become while learning. “Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is – His good, pleasing and perfect will.” – Romans 12:2

WE CELEBRATE

We rejoice in relationships and transformation. “Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus.” – 1 Thessalonians 5:16-18

REFLECTIONS FROM THE HEAD OF SCHOOL

Dear Families and Friends of The Woodlands Christian Academy,

On behalf of our Governance Board, administration and faculty, we are pleased to present this annual report, summarizing highlights from the 2019-2020 school year.

At Woodlands Christian, we strive to equip leaders – spiritually, academically, physically and socially – to fulfill God’s purpose for each of their lives. Through His transforming power, we believe that students can find their unique gifts and talents and reach their highest potential. Thus, we offer a rigorous Christian college-preparatory curriculum taught by an engaging faculty that delivers the personal mentoring and encouragement necessary to help our students succeed

and develop a love of learning. Whether in the classroom, at an athletic competition or on the mission field, we challenge our students to become servant-leaders for Christ, capable of making an eternal impact for His kingdom.

This was an extraordinary year at Woodlands Christian. We began in August with record student enrollment and the opening of the Micah Academic Center, a three-story high school building which added the Ruth Auditorium, three state-of-the-art science labs, an art studio, 27 classrooms, a coffee bar, student gathering areas, offices and space for a 16,000 sf STEAM lab to our campus.

Our annual spiritual theme of Godly Grit was most appropriate as we also faced unprecedented challenges. Due to the rapid spread of COVID-19 around the world, we closed our campus on March 13 and remained closed for the rest of the school year. However, without missing a beat, our faculty immediately pivoted to distance learning, enabling our students to continue learning and interacting with their teachers and classmates through technology. Unfortunately, we had to cancel many cherished traditions including spring athletics, the passing of the torch from the seniors to the juniors, baccalaureate, prom, awards ceremonies, and the annual auction and gala.

After so much turbulence, it was a joy to conclude this year with a kindergarten graduation car parade and an outdoor commencement held in Warrior Stadium for the Class of 2020. We are proud of all of our students for their flexibility and willingness to be challenged with new methods of learning. Ultimately, they have all become better students as a result of this experience.

We hope you enjoy the annual report, in which we focus on our previous year’s achievements and on the annual report of gifts. We are, as always, grateful for the contributions of time, talent and treasure that we receive from the families and friends of Woodlands Christian.

Serving Him,

Julie H. Ambler

Julie H. Ambler

CAMPUS IMPROVEMENTS

At The Woodlands Christian Academy, each school year brings new possibilities and 2019 was no different. As we continue to elevate the campus experience, our students are offered innovative opportunities to develop – spiritually, academically, physically and socially.

Before the first day of classes, our facilities team completed a massive list of improvements, moves and updates throughout campus. With the opening of our new high school building, several areas were reassigned according to grade level and division. We were also able to build out office suites and dedicate the Timothy Administration Building almost entirely to staff work areas.

TIMOTHY

- Built and furnished new IT office suite.
- Built new teacher and staff restroom.
- Built and furnished new business suite.
- Remodeled new development and marketing suite.

NEHEMIAH

- Built and furnished new middle school office suite.
- Installed new flooring on first floor.

JOSHUA

- Built and furnished new lower school office suite.
- Landscape update.
- Built new teacher restroom.

MICAH

- Built and furnished new 63,250 sq. ft. Micah high school building.
- Landscaped and reshaped land.
- Installed sprinkler system.

OPENING DAY

Our high school students and staff began the year celebrating Opening Day of our newest learning space, the Micah Academic Center. They enjoyed music and fellowship in the Grove while Mr. Clark manned the grill and served up hamburgers and hot dogs - a true labor of love in the Texas heat! Students were able to spend the day getting familiar with their routine and meeting their teachers and new classmates.

SPIRITUAL GROWTH

We remain steadfast in our efforts to create a school environment where students seek to be in God's presence as their highest priority. This includes chapel worship experiences every week for all grade levels and the intentional integration of dedicated time for reading and reflection in the classroom.

Scan this QR code to view a video of our chapel worship experience.

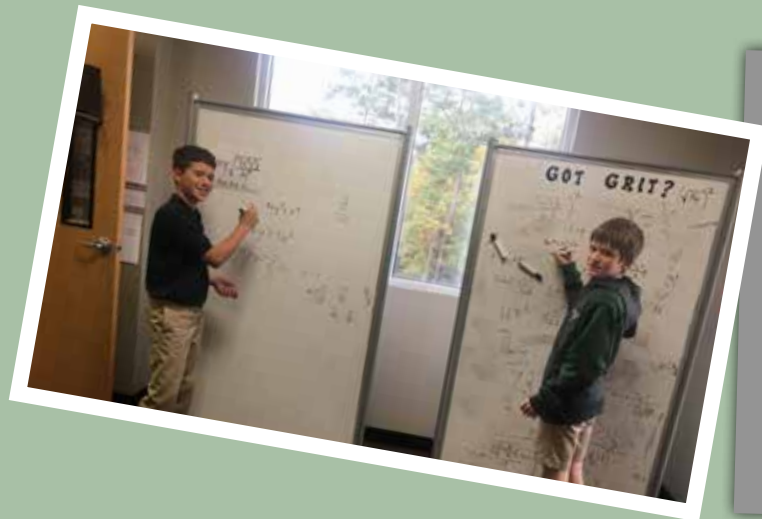

Lower School Chapel

SPIRITUAL HIGHLIGHTS

GROWING GODLY GUYS

Young men in 9th and 10th grade were invited to join a new club called Growing Godly Guys. Mr. Koskamp and Mr. Goll led discussions aimed to help students recognize, develop, and strengthen their spiritual gifts.

GRIT 2 GLORY

At the start of the year, Mr. Laugen introduced a new middle program called Grit to Glory. Throughout the year, students competed against faculty in various physical and mental competitions which allowed them the opportunity to face challenges with confidence.

Scan this QR code to view a challenge.

PASSION CONFERENCE

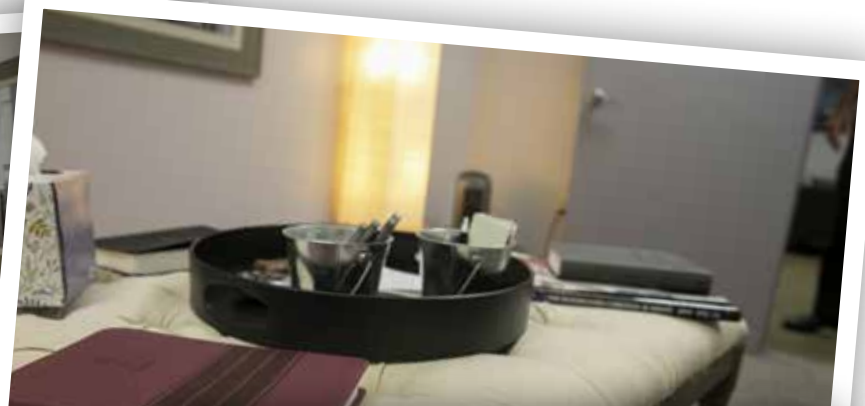

Coach Earle and Mrs. Rowe took 30 seniors to join over 65,000 other high school and college students at the Passion Conference in Atlanta, GA. The event is designed to call students to action and ignite their faith.

"Passion 2020 was an experience I'll never forget. It was unreal and inspiring to see 65,000 students all there to worship God. Passion truly opened my eyes to see more clearly and opened my heart to the Lord. I'm truly blessed to have been given the opportunity to attend the conference, it was one of the best decisions of my life."

– Megan Murphy

PRAYER ROOM

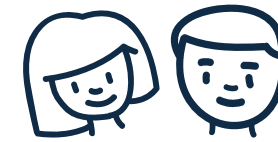

The Prayer Room (also referred to as a “War Room”) was named in honor of Coach Jerry Bradshaw, a true prayer Warrior. For the past 15 years, Coach Bradshaw has made an incredible impact in the lives of students, athletes and staff at TWCA.

WARRIOR WORSHIP

The Chapel Team organized a special opportunity for high school students and staff to worship during success time. Warrior Worship allowed us to gather, sing, reflect, and pray outside of the usual required Chapel and Bible class, providing a moment in the midst of the day to rest and reorient ourselves to Christ.

INTERACT CLUB

121
Total Members

1,615
Total Hours Served

Interact Club is a nationwide service organization for high school students. Members work together to coordinate a variety of volunteer opportunities throughout the year. The goal is for participants to develop leadership skills and discover the power of “Service Above Self.” Highlights from the year include:

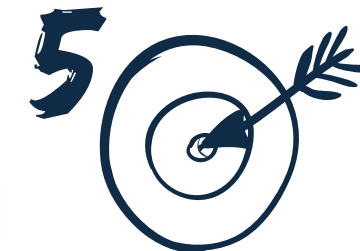

2

3

6

- 1. LEMONADE FUNDRAISER** Sold lemonade at the Pink Out football and volleyball games in support of THair For You, an organization that provides wigs for cancer patients.
- 2. COCHRAN'S CROSSING FALL FESTIVAL** Helped operate carnival games and activities.
- 3. WE'RE LIVE! PRODUCTION CREW** Helped with set up, lighting and sound at the middle school theater production of We're Live!

- 4. ST. JUDE'S HOSPITAL** Held a bake sale to raise money in support of the St. Jude Research Hospital.
- 5. WILDWOOD METHODIST CARNIVAL** Helped facilitate games, activities and interactions with the children at the carnival.
- 6. PINE COVE OUTBACK CAMP** Relieved the kitchen staff by washing dishes and cleaning the dining hall.

SERVICE HIGHLIGHTS

Opportunities for our students to recognize the value of service and actively pursue new ways to impact communities near and far, and drive valuable change, are scheduled throughout the year.

FAITH BIBLE CHURCH OPERATION CHRISTMAS CHILD
For the third consecutive year, NJHS students participated in Operation Christmas Child. They sorted and packed shoeboxes for children affected by war, poverty, natural disasters, famine and disease.

1. SHOE DRIVE NHS hosted a shoe drive benefitting Sonrise Shelter in Houston.

2. BOOK DRIVE Third graders Vanessa Anders and Katie Harvill organized a school-wide book drive, collecting over 200 gently used books for the Montgomery County Women's Shelter.

3. PRE-K & K MISSION TRIP Pre-K and kindergarten students visited a local assisted living center to share God's love and joy with senior citizens in our community.

4. 3RD GRADE BLANKET PROJECT Warriors in 3rd grade put together activity bags and made fleece blankets for patients staying at Texas Children's Hospital.

5. BOOTS FOR TROOPS NHS students helped organize care packages for local non-profit, Boots for Troops.

6. WINDSOR HILL SENIOR COMMUNITY Middle school choir sang for the Windsor Hill Senior Community's annual Christmas luncheon.

7. FRIDAY DONATION TO COMPASSION Every Friday throughout the school year, Chef Sean donates left over food from the week. Last year, The Warrior Cafe donated 2,800 pounds of food to Freedom House, a men's group with Compassion United in Conroe.

8. STUCO BLOOD DRIVE Student Council members hosted an on campus blood drive.

9. WARRIOR SUMMER CAMP Campers helped assemble 47 care packages filled with toiletries, socks, puzzles and handwritten notes for active military and veterans. Students traced their hands to let service members know, "these hands are praying for you."

10. TWCA LIBRARY The library raised \$215 in book fair sales change and purchased 25 books to donate to The Women's Storybook Project of Texas. The books go to children of inmates along with a recording of their parent reading the book so they can get a bedtime story.

FALL ACADEMICS

When it comes to finding creative ways to engage our students in the classroom and reinforce lesson material, our faculty are second to none. While we are not bound by standardized tests or made to follow any certain curriculum, our students are thriving in the classroom and competing favorably among students their age locally, nationally, and worldwide.

Middle School Award Ceremony

Mrs. D'Etcheverry's history students were assigned a special project celebrating the veterans in their lives. They chose a family member, friend and even TWCA staff and created posters with his/her photo and the details of their time in the service.

Fourth grade launched a pilot program that takes us one step further into the digital and media literacy age. After another amazing training at Columbia University's Teacher's College, some training with our regional Apple Educator, and the generous provision of the technology team, teachers have been empowered to take their strong foundation in technology integration to the next level. Teachers and students were each issued a brand new iPad Pro device and a LogiTech Crayon to complete lessons in every content area. They can now fully utilize the digital tools that come with our adopted textbooks and learning programs.

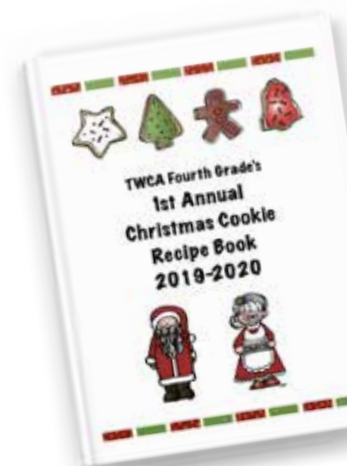

COMPUTER SCIENCE

Under the direction of Mr. Westerduin, the TWCA Computer Science Club competed against public and private schools in the Best of Texas Contest. The contest consists of three rounds of testing, with each participant selecting the individual tests he/she will take out of the 12 subjects offered.

COOKIE EXCHANGE

Fourth grade students studied folktales in reading, wrote memoirs of favorite Christmas traditions in writing, and learned division in math. As a celebration of learning, they gathered for a Christmas story and cookie exchange. Each student brought a baker's dozen, in line with a tale they read in class, and a copy of the cookie recipe. The recipes were compiled into a cookbook and published on Apple Books for all TWCA families to enjoy.

ACADEMIC HIGHLIGHTS

STORYBOOK PARADE

Pre-K and kindergarten students and staff celebrated their love of reading by dressing as their favorite storybook character for the annual Storybook Parade.

NATIVE AMERICAN TRIBE PROJECT

Fourth grade students studied the Karankawa and Caddo tribes and recreated coastal dwellings based on their research.

IFLY FIELD TRIP

Third and fourth graders in the G.I.R.L.S Science Club (Girls Investigating Real Life Science) went on a field trip to iFly for a hands-on learning experience in Physics.

ESCAPE ROOM MATH PROJECT

Students in Mrs. Schuler's class solved a series of math problem missions to escape the room.

A&M PHYSICS VISIT

Mrs. Masau's physics classes traveled to Texas A&M University for live instruction from Dr. Tatiana Erukhimova.

HINDU/BUDDHIST TEMPLE VISIT

Sophomore students visited a Hindu and Buddhist temple in our community during their study of world religions.

CHALLENGER EXPEDITION

Engineering and Physics students went to the Houston Museum of Natural Science and completed a moon landing, while serving as mission control of the Challenger Expedition.

APPLE GENIUS CERTIFICATION

After working in the TWCA Technology Department, learning how to operate, update, and fix Apple devices of all kinds, ten students became Apple Certified Macintosh Technicians. Certification requires passing a timed, 75 question exam that covers safety, customer service, troubleshooting and more. Additionally, the students were required to complete and pass a series of modules and tests on the tools and repair steps for all Apple devices. The students below are now qualified to perform repairs on students' and teachers' Apple devices, as well as work in the Apple Store if they so choose.

ROCK THE VOTE

Just before the November elections, Mrs. Rowe took a group of TWCA seniors to the South County Community Center to learn about candidates and get prepared to cast their vote for the first time.

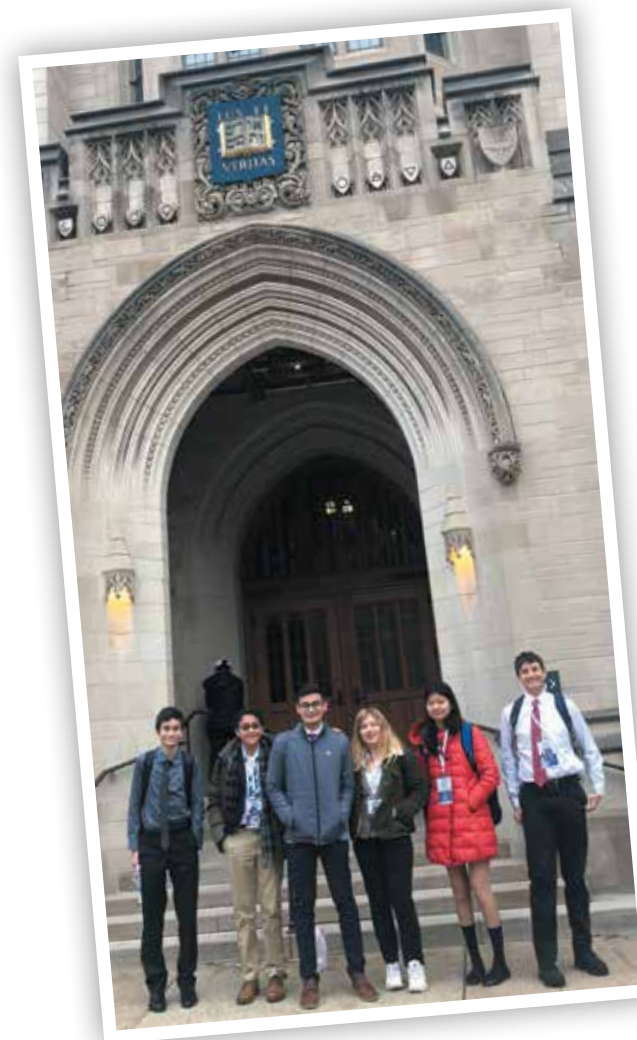

"After 18 years, I am able to stand up for my morals, values, and what I've learned, and express it in the public sphere."

- ABIGAIL ARMOR

WORLD SCHOLARS

A select group of high school students participated in the World Scholar's Cup Tournament of Champions at Yale University. The team qualified at the Global Round of the competition, held in the Netherlands months before the tournament. Competing against students representing schools from around the globe, TWCA fared extremely well earning medals in several categories.

WORLD SCHOLAR ACHIEVEMENTS INCLUDED:

BRIANNA BAI - Silver medal in Writing

DOMINIC SPAHR - Silver medals in Literature, Writing, and the Team Bowl

DAVID GARCIA - Silver medals in Debate and the Team Bowl

STUART YORK - Silver medal in the Team Bowl

NIKO BUERKERT - Gold medal in the Team Bowl and Silver medal in the Challenge for Science

ABBY BAGNOLI - Gold medal in the Team Bowl, Silver medal in debate, and top 20% of scholars overall

HEAD OF SCHOOL AWARDS

Head of School Awards were distributed to middle school students who earned a cumulative grade average of 95 percent or higher in all core classes, with no course grade below a 90 percent in both quads, and no detentions.

THE ACE PROGRAM

The Academic Center for Empowerment (ACE) program at Woodlands Christian is a valuable resource for students in all grades. Led by Dr. Teresa Voltz, the ACE team provides personalized attention to students with common learning disabilities, dyslexia, ADHD, dysgraphia, dyscalculia, and anxiety disorder—using proven methods that help them to be successful in the classroom. In 2019, the ACE team completed the National Institute for Learning Development (NILD) Level III training and became Professionally Certified Educational Therapists (PCET).

"We have seen academic skills as well as IQ scores increase. Students have become more confident and have developed and recognized their own learning strategies that helps them be more independent in the classroom. Learning has become an easier process for our students."
 - Dr. Teresa Voltz, ACE Director

#4

Best High Schools for STEAM in Montgomery County

#44

Best high Schools for STEAM in Houston

While our curriculum has always been rigorous and innovative, we have recently focused our efforts toward the expansion of our STEAM program. Our students are introduced to challenge-based learning beginning in pre-k and on through graduation.

The completion of the Micah Academic Center lent a tremendous amount of possibility for maintaining an advanced STEAM program for high school students. This not only helps students to develop exceptional problem solving and critical thinking skills, it introduces valuable lessons in failure with almost all projects requiring them to revisit past failures and rebuild.

LACY GOEDEKE

Before beginning her second year teaching lower school science at TWCA, Lacy Goedeke participated in Rice University's STEM Engagement Program. Lacy was one of a small number of Houston-area teachers selected to be a part of the year-long program. It is designed to provide high-quality, large-scale training and resources focusing on STEM concepts, research-based inquiry teaching strategies, teacher leadership, and new developments in the fields of science, technology, engineering, mathematics, and computer science. Reflecting on her experience, Lacy believes she has become a better leader and STEM advocate on our campus.

TANYA SHARRON

The Lower School News Team was formed in the fall of 2019. STEAM teacher Tanya Sharron directed the group of 15 4th grade students. Each member was assigned one of several roles – including producer, camera operator, film technician and reporter – and tasked with compiling daily newscasts for the entire lower school to view before the start of each day. The broadcasts included the pledges, Bible verse of the day, the lunch menu, birthdays, and special reports that covered stories from campus. Capabilities expanded with each week that passed as the students learned how to use the equipment to enhance the newscast and viewer experience. These upgrades included including photography for green screen backgrounds, digital animations and creating music for individual segments.

LOWER SCHOOL STEAM LAB

Located on the 2nd floor of the Joshua Building is our brand new Lower School STEAM Room. It is equipped with a variety of outfitted resources that allow our students to thrive in a stimulating environment that supports creativity and exploration. Highlights from this space include:

LEGO BUILDING WALL

The LEGO Building Wall is a stimulating way to task students with creative problem-solving challenges using LEGO building blocks. This provides opportunities for younger students to think critically and learn through play.

IPADS

Early experience with Apple devices offer valuable lessons in creativity and an introduction to technology. Younger students benefit from practicing and getting familiar with the functionality of these sophisticated machines. Older students are able to practice coding through applications like Kodable, as well as digital animation and videography through resources like Apple Clips.

ATHLETICS

We continue to enhance our athletic programs and offer more and more students the chance to compete at a high level. Whether it's working with beginners to introduce the fundamentals, or training athletes ranked among the best in the nation, our commitment to building Warriors for Christ is unwavering.

Although this school year was cut short, we were on our way to a historic showing for Warrior Athletics, appearing in four state semi-finals and winning three state titles after the fall and winter competition seasons. As we look ahead to competing in the TAPPS 5A district in 2020, we are confident our teams will continue giving Warrior Nation a reason to celebrate!

Sports

Fundamentals and lessons in teamwork and responsibility are offered through participation in Warrior Leagues. 1st-4th graders choose from a variety of sports, including baseball, soccer, volleyball, football, basketball, and, new in 2019, golf, track & field and tennis.

TWCA INTRODUCES 5TH & 6TH GRADE BASKETBALL LEAGUE As a way to introduce younger athletes to competitive play outside of school, Warrior Athletics established a basketball league for 5th and 6th graders, and invited area private schools to compete.

MIDDLE SCHOOL HIGHLIGHTS

GIRLS CROSS COUNTRY

Won the HAPS Championship

VOLLEYBALL

Gold Volleyball team undefeated HAPS Division II Champions
All-time high of four middle school volleyball teams (47 girls)

GIRLS SOCCER

HAPS Champions

STRENGTH & CONDITIONING

This year we welcomed Coach Tim Walker to lead the TWCA Strength & Conditioning program. Working with athletes from 6th grade up, Coach Walker customizes team specific workout plans and brings an unparalleled level of intensity to our school that motivates our students to train hard and take care of their bodies. The program operates in our new 3,800 square foot weight room that is so well equipped that it puts us on the path to qualifying for the Strength of America Award through the National Strength and Conditioning Association.

VYPE CAMPUS PARTNERSHIP

We are fortunate to work closely with VYPE Magazine and promote our programs as an official campus partner. This opportunity affords our athletes and programs prominent recognition across VYPE Media platforms. Their team of professionals, who operate the wildly popular high school sports magazine, administered photo shoots and social media takeovers with each of our varsity teams. They were also integral in the production of our coveted annual media guide.

Scan to view the 2019-20 media guide.

STATE CHAMPS

CROSS COUNTRY CHAMPIONSHIP

Under the direction of Coach Tom Earle, the boys and girls Warrior cross country teams finished first in the state – the fourth straight state title for the girls and the third straight for the boys. Senior stand-out Ellie Catron led the girls, taking home her third straight individual title. On his way to a first place medal, Ben Shearer dominated his field finishing almost one full minute ahead of the second place runner.

WARRIOR BASKETBALL TAKES HOME ANOTHER RING

Warrior basketball graduated a special group of seniors, who appeared in four straight final fours and won two state titles. The team was favored to win it all at the beginning of the season, and did just that. Their final four games included an astounding 86-49 semi-final victory against John Paul II and a 68-50 win over Covenant Christian in the TAPPS 4A state championship game.

COLLEGE ATHLETICS

HOMECOMING SPIRIT WEEK

The entire school showed their Warrior Pride by participating in dress up days during Homecoming Spirit Week.

WARRIOR FOOTBALL

For only the second time in the program's history, the 2019 Warrior football team advanced to the semi-final round of the state playoffs. Though they fell short against 2018 state runner-up Geneva School of Boerne, there was much to be proud of after a historic, undefeated (12-0) regular season.

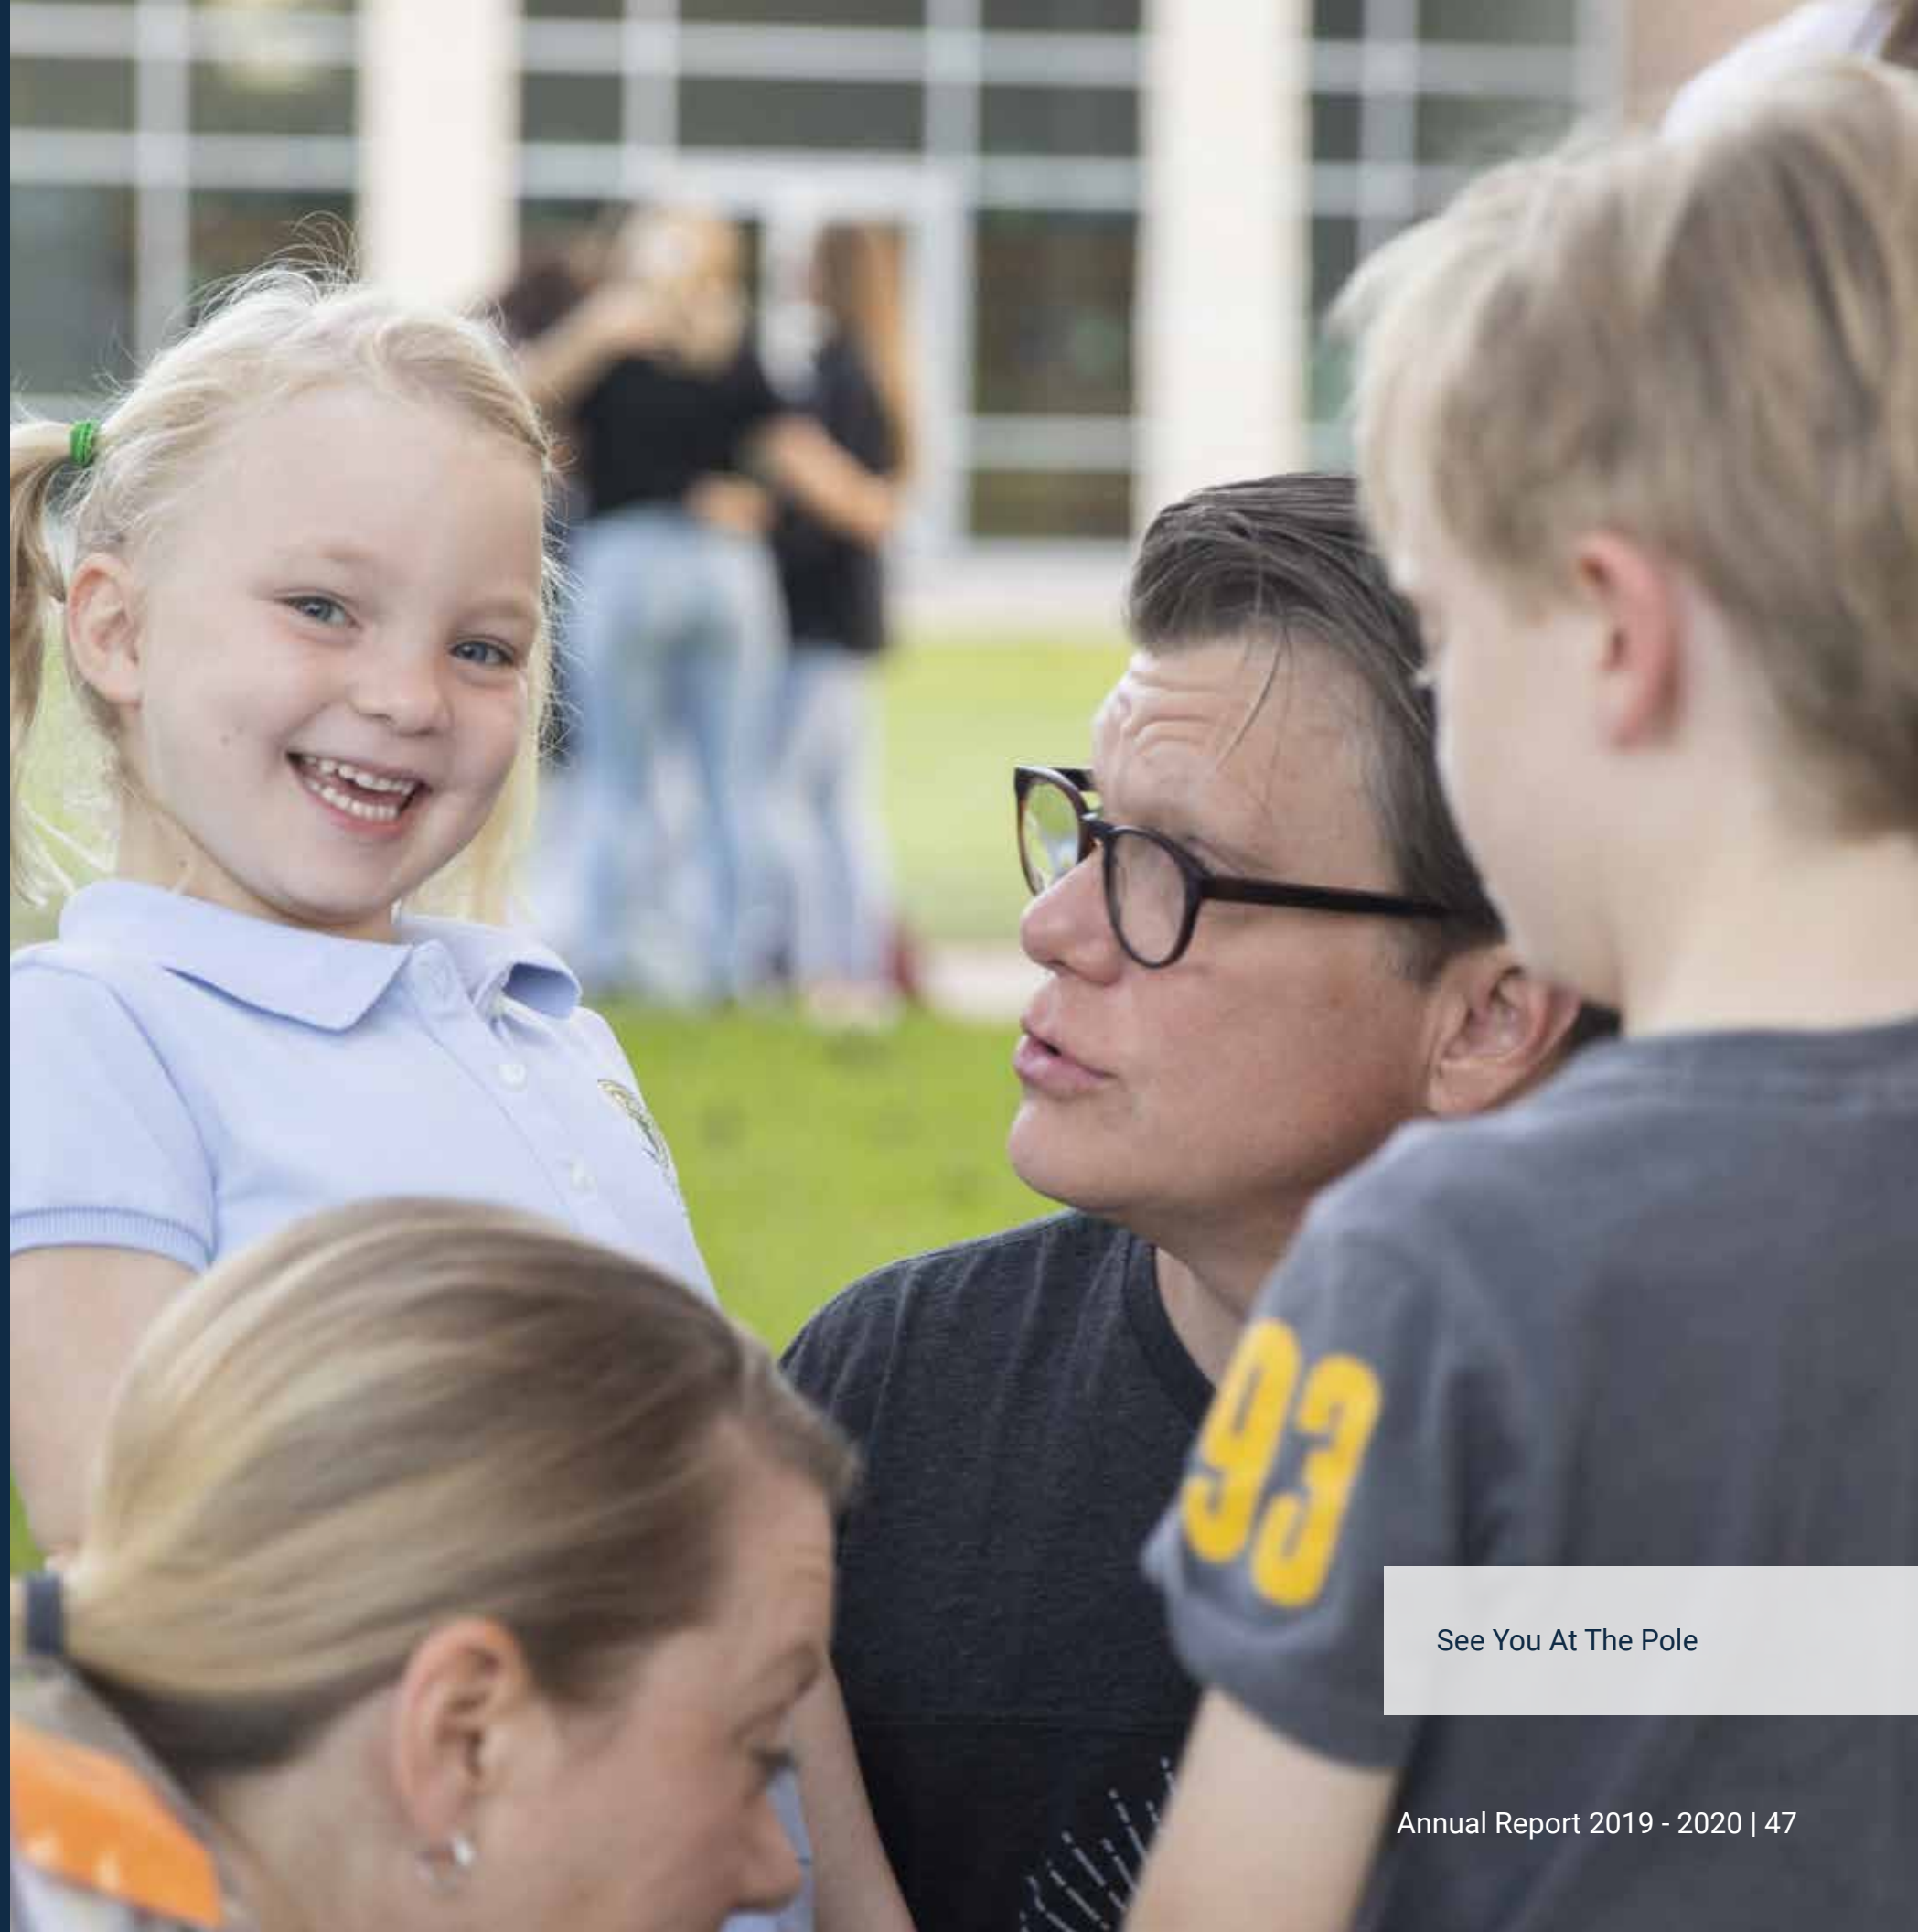

DEDICATION CEREMONY

Just before the Homecoming football game, we held a building dedication ceremony to celebrate the Micah Academic Center, and perform the official ribbon cutting, facilitated by The Woodlands Area Chamber of Commerce.

PARENT INVOLVEMENT

We would not be able to continue developing our programs without the generosity and support of our faithful Warrior families. Gifts of time, talent, prayer and resources encourage our staff and create an atmosphere that fosters the development of meaningful and long-lasting relationships. We are blessed to partner alongside a remarkable group of parents who value Christian education.

See You At The Pole

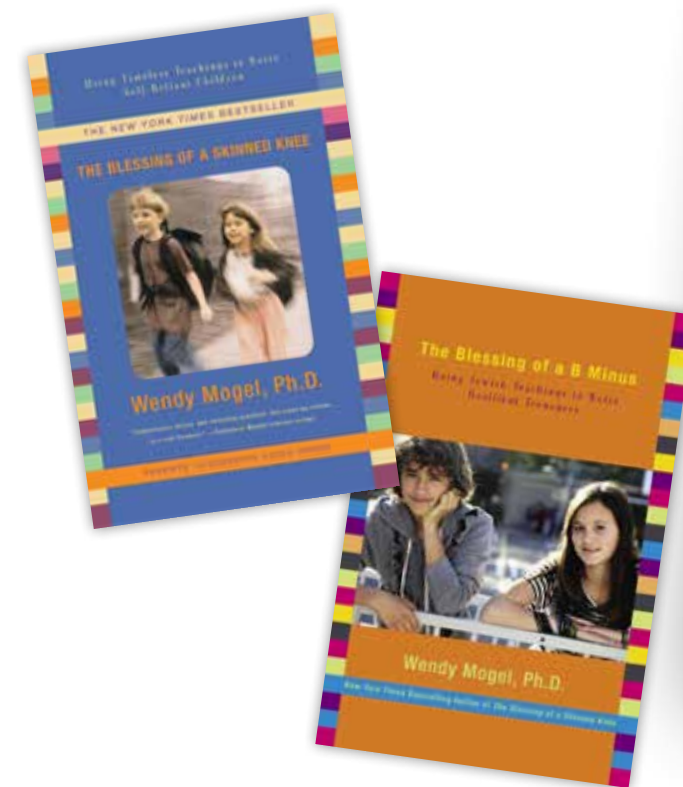

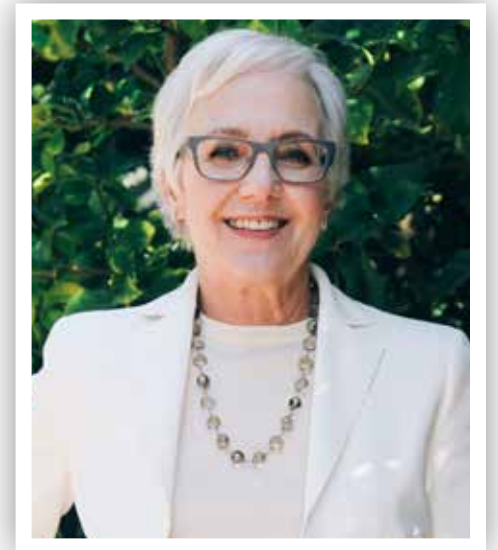

NEW PARENT RECEPTION

The second annual New Parent Reception was a lovely evening of fellowship for families beginning their first year at TWCA. Hosted by long-time Warriors Cece and Richie Ray, this event is a great opportunity for new families to be introduced to school leadership, PTF and other parent group representatives, and each other.

DR. WENDY MOGEL

Dr. Wendy Mogel, clinical psychologist and international public speaker came and spoke to teachers and parents at the start of the school year. The New York Times Best Selling author of “The Blessing of a Skinned Knee” and “The Blessing of a B Minus”, shared about her experiences working with children and families, and how failure can help students develop grit and thrive.

WARRIOR BOOSTERS

The Woodlands Christian Academy Warrior Boosters promote school spirit and provide support to enhance the athletic and fine arts programs. It was a record-breaking fundraising year for memberships, sponsorships, and overall funds raised in 2019 (\$262,353). The Booster Committee worked on a variety of programs this year including the establishment of new membership perks, creating new business sponsorship opportunities, fundraising events, and community building fellowship meals. In 2019-2020, Warrior Boosters was able to purchase new sound equipment for the Fine Arts Department, new uniforms for soccer, softball and volleyball, and completed the Warrior Weight Room. These have been incredible additions to our athletic and fine arts programs pushing our students to learn new skills and leading to tremendous results.

FACULTY APPRECIATION WEEK

We would not be able to continue developing our programs without the remarkable efforts of our faithful Warrior families! Below are some of the ways our parents support Woodlands Christian.

"YOU'RE THE SWEETEST!"

"DONUT KNOW WHAT WE'D DO WITHOUT YOU!"

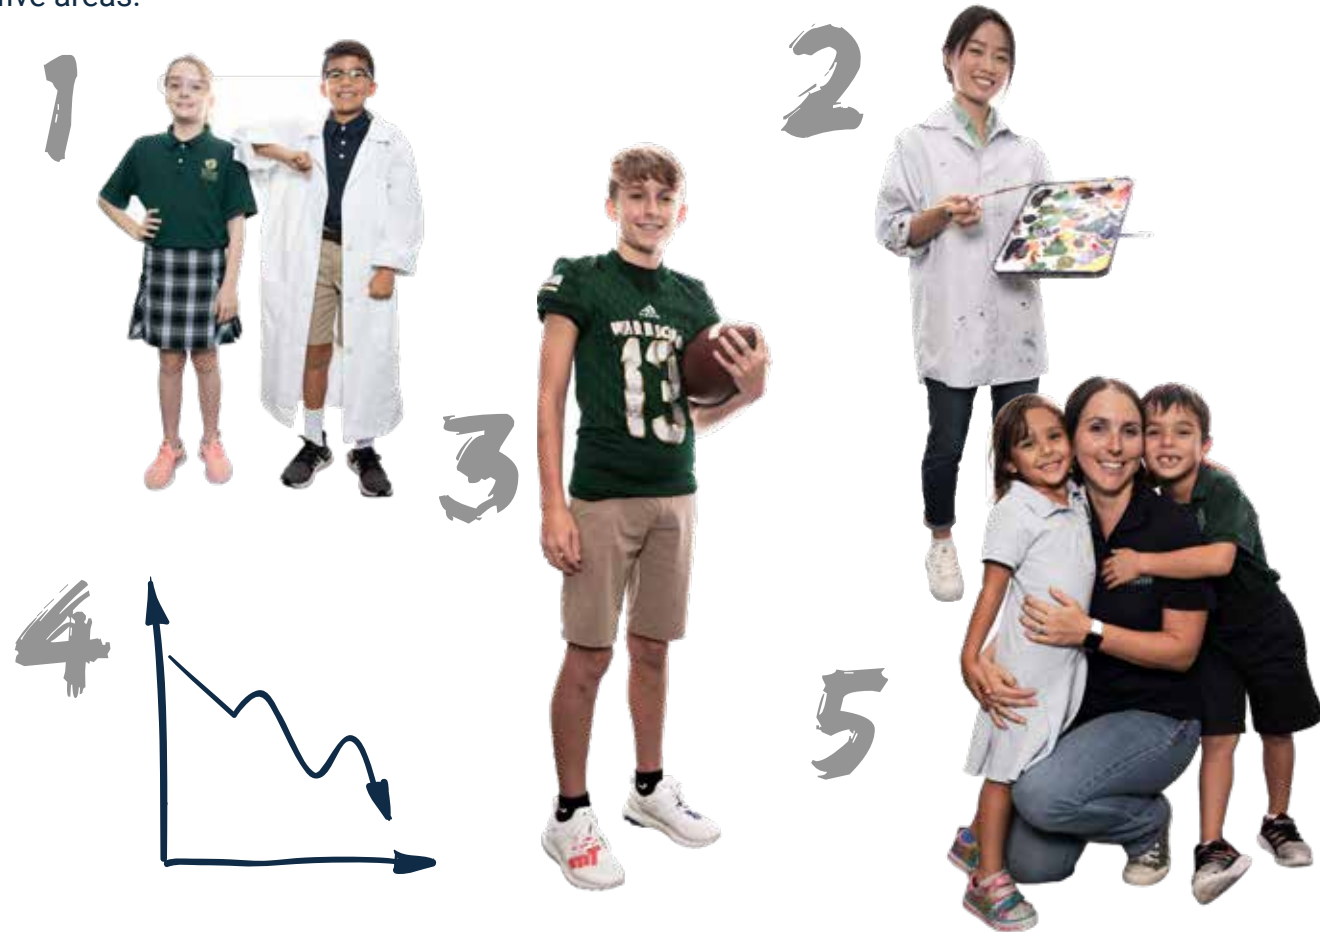

"THERE'S MUFFIN LIKE A GREAT TEACHER!"

"MUCHAS GRACIAS FOR EVERYTHING YOU DO!"

WARRIOR FUND

Approximately 420 families and individuals participated in the 2019 Warrior Fund campaign. This includes 100% of our Governance Board, and 100% of our faculty/staff, as well as the Warrior families, alumni and former parents and grandparents. These funds were applied towards five areas:

1. S.T.E.A.M. to further equip the new STEAM lab in the Joshua Academic Center and the 3rd floor makerspace in the Micah Academic Center.

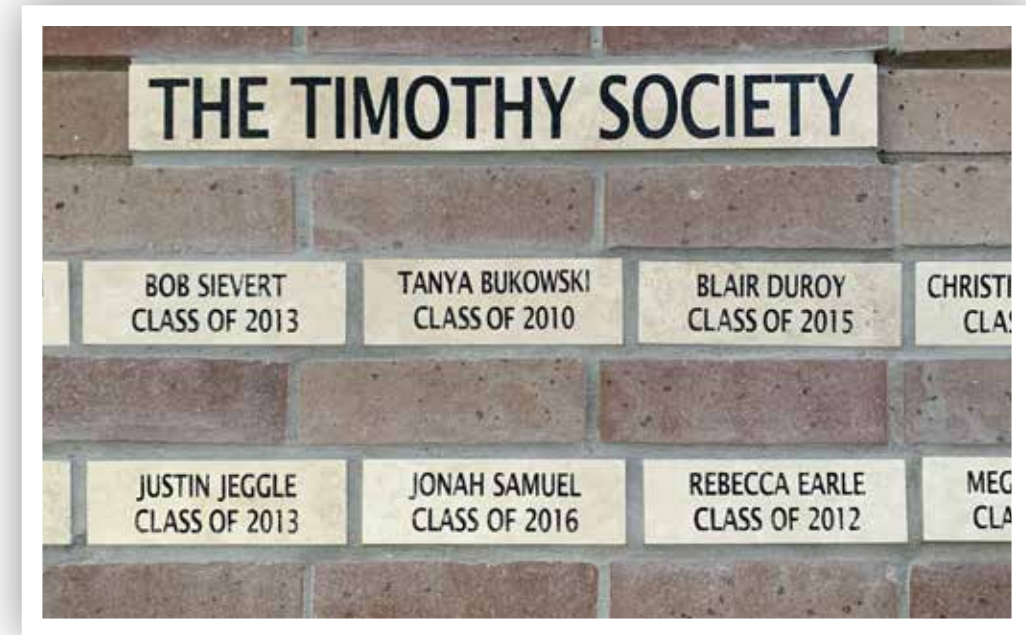

2. FINE ARTS for additional lighting and sound booth technology in the Ruth Auditorium for our band, choir, middle school and high school theatre performances.

3. ATHLETICS to enlarge our existing locker rooms to meet our growing demand for space.

4. DEBT REDUCTION to repay debt and support the long-term financial health of our school.

5. NEED-BASED FINANCIAL AID to provide an opportunity for exceptional students, with a confirmed financial need, to attend The Woodlands Christian Academy.

THE TIMOTHY SOCIETY

We are excited to honor Warrior students who attended Woodlands Christian from Pre-K through graduation with The Timothy Society brick display.

BOOK & UNIFORM EXCHANGE

Sandrine Janssens established the TWCA Uniform Exchange Facebook group to help parents recover their kids' lost clothing or accessories, and to give a second life to gently used uniform items. Calling it a "simple way to contribute to the school," Mrs. Janssens' efforts have a major impact and inspired high school history teacher and Warrior parent, Stacy Schilling, to create the TWCA Book Exchange in 2019. Gently used books are exchanged between Warrior families for future use.

GRAND DAYS

Each year, just before the Thanksgiving break, we invite Warrior grandparents to join us for Grand Days. This event spans two days of events and activities to offer grandparents the opportunity to experience the amazing things happening in the lives of their grandchildren at Woodlands Christian. Highlights from 2019 include:

Warrior Choir held their very first performance, singing the National Anthem at the start of the boys soccer game.

Grandparents of lower school students were treated to a special performance that included singing, dancing and piano.

Lower school cheer performed at halftime of the soccer game.

HOLIDAY PERFORMANCES

Choir Concert

"A Candlelit Praise"
TWCA Middle School and High School Choir
Under the direction of Mrs. Henson
December 3rd, 2019

Band Concert

TWCA Middle School and High School Band
Under the direction of Mr. Crofton
December 4th, 2019

CHRISTMAS PLAYS

HIGH SCHOOL

The Woodlands Christian Academy Presents
**Yes, Virginia,
There is A Santa Claus**
December 11, 2019 at 7:00 p.m.

LOWER SCHOOL

SPRING 2020

To kick off the 2020 spring semester and to celebrate the addition of our brand new, dedicated campus prayer space, we invited the TWCA community to join us in praying for our students, school, and staff during our 20 Days of Prayer for 2020.

Our community was invited to sign up and join us in praying for an amazing semester.

1st Annual Butterfly Ball

THE WOODLANDS CHRISTIAN ACADEMY'S
FIRST ANNUAL

Father-Daughter Dance

So many special memories were made at the First Annual Father-Daughter Dance, chaired and sponsored by Laura Everson and Amy Young. With a live DJ, photo booth, raffle prizes, food catered from Zanti Cucina Italiana, and a fully stocked candy bar, girls in Pre-K - 12th grade and their fathers danced the night away.

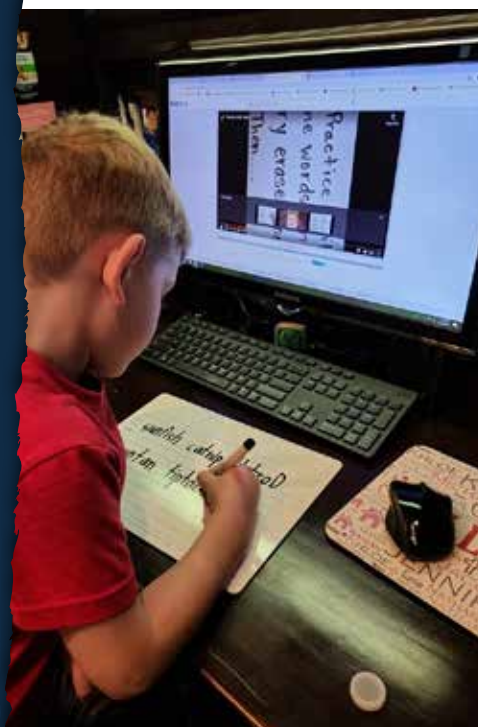

BEYOND THE WALLS

Each year, Warriors in 5th-12th grade travel beyond the walls of TWCA for an engaging, interactive and meaningful week of learning. In locations spanning the United States, this experience is designed to offer an additional layer of application within each of the four pillars making up our mission. Devotion and church services are built into days of memory making, once-in-a-lifetime activities.

DISTANCE LEARNING

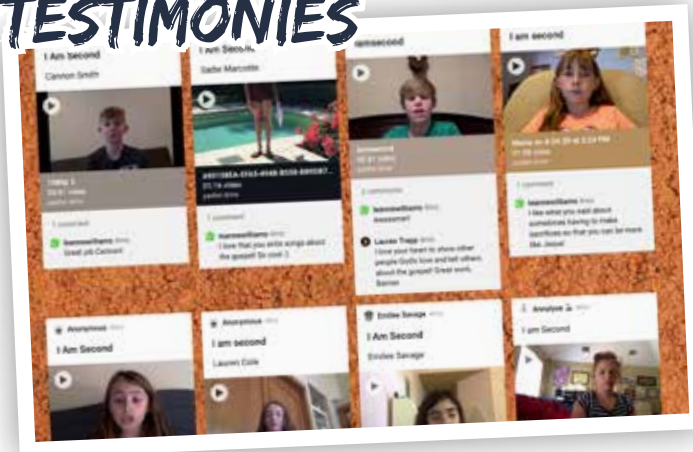

It's no secret that the COVID-19 pandemic resulted in an unprecedented shift in education. We were challenged to think outside of the box to ensure we met the needs and expectations of our families and did not compromise the integrity of the Woodlands Christian educational experience. Regulations from this new normal limited our ability to train, compete, perform, and gather as we normally would, however, through the tremendous dedication of our faculty and staff, we developed a distance learning program that kept students engaged, and offered the same high-quality lessons and opportunities normally presented in the classroom.

SPIRITUAL DEVELOPMENT DURING COVID-19

Our commitment to spiritual development while distance learning was unwavering. We found ways for students to continue growing in their walk with God and connect with each other in fellowship because "... in Christ we, though many, form one body, and each member belongs to all the others." - Romans 12:5

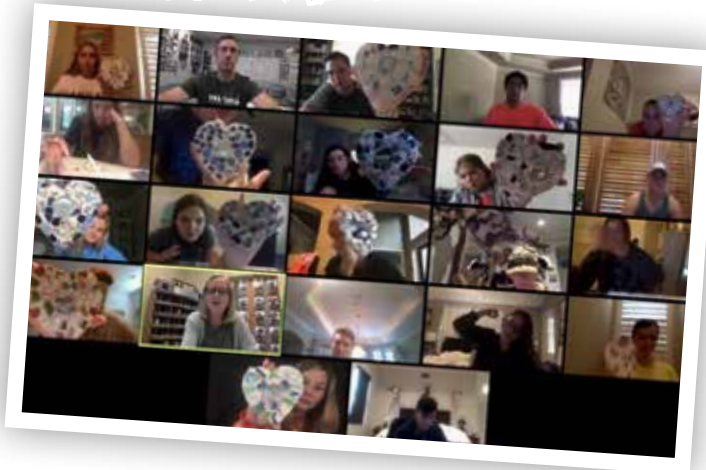

TESTIMONIES

Fifth grade students shared their personal testimonies in Bible class. Using Padlet, students recorded themselves sharing how the gospel is at work in their lives. They uploaded their videos for classmates and teachers to view and comment.

Seniors participated in a special project with Mosaics of Mercy, a ministry dedicated to providing hope and healing, and promoting mental well-being. Using broken pieces of tile, the seniors crafted heart-shaped mosaics. This exercise was meant to help them process the mixed emotions related to the disappointment of missing out on a traditional senior year. They reflected on their experiences during this time of "brokenness" and the transformative power of God's love.

MOSAICS OF MERCY

Launched by Mr. Marez as a call to the entire school community, #Quarantine15 challenged families to continue strengthening their relationship with Christ, especially in the midst of the challenges caused by the pandemic, by building 15 minutes of quiet time with God into each day. Ideas were shared on social media to inspire the school and greater community.

#QUARANTINE15 CHALLENGE

#QUARANTINE15 CHALLENGE

- Post a picture or video
- Tag @twcawarriors
- Use #twcconnected
- Challenge 3 friends!

CHAPEL VIDEOS

In-person worship was replaced with Chapel videos, specific to each division, and shared in accordance with students' weekly Chapel schedule.

Pastor Brian led lower school chapel via video just as he did in the EMPR – praising God with his guitar and encouraging students to sing along to their favorite Bible songs. He often featured special guests (like his golden retriever Puddles) or props to tell stories of God's love and amazing power.

LS chapel

Mrs. Henson joined Pastor Brian for inspiring middle school chapel recordings that began with a beautiful segment devoted to praise and worship.

MS chapel

High school students were given challenging, comforting and relevant messages from Mr. Marez to help them continue walking with God and celebrating His goodness in such an uncertain and trying season of life.

HS message

#TWCACONNECTED

The immense love and dedication our faculty have for our students, and the love our families have for our school was on full display through the creative acts of kindness performed during this time apart. Despite the distance, our entire school community found ways to honor our core values — to relate, transform and celebrate — and stay connected.

1. The 2019-2020 Valedictorian, Kristen Harris, and Salutatorian, Juhui Cheon were surprised by members of the high school administrative team who honored their outstanding academic achievements.

2. Teachers in lower school got together to send a special message to Warrior families.

3. Middle school students received hand-delivered "Survival Kits" from Mr. Laugen and Mrs. Fike.

4. The high school staff said bon voyage to beloved teacher, Mr. Holiman, during a cruise-themed Zoom Retirement Party.

5. Junior families surprised seniors with special college-themed care packages.

6. Each principal hand-delivered yard signs to their teachers in a show of gratitude for their amazing work.

7. The entire school celebrated spirit weeks and special theme-dress days. Prizes were awarded for creativity and for showing Warrior pride!

ABOVE AND BEYOND 2020

ACADEMIC INNOVATION DURING A PANDEMIC

Our annual Auction & Gala went virtual with the 2020 Above & Beyond online auction. Proceeds were split between the continued expansion of our STEAM program and our dedicated faculty and staff. TWCA employees received a token of appreciation for going above and beyond during this unprecedented season of learning and instruction.

The incredible items procured prior to the pandemic were up for grabs during the week-long online auction. Mr. Laugen, Mr. Goll, Mrs. Goedeke, and Mr. Williams closed out the week of bidding with a live auction presentation, broadcast to the school community on Facebook. Thanks to the generosity of our amazing school community, the Above & Beyond online auction closed with net proceeds of \$142,000.

Our faculty were challenged to maintain the highest levels of excellence in the classroom by presenting innovative digital lessons.

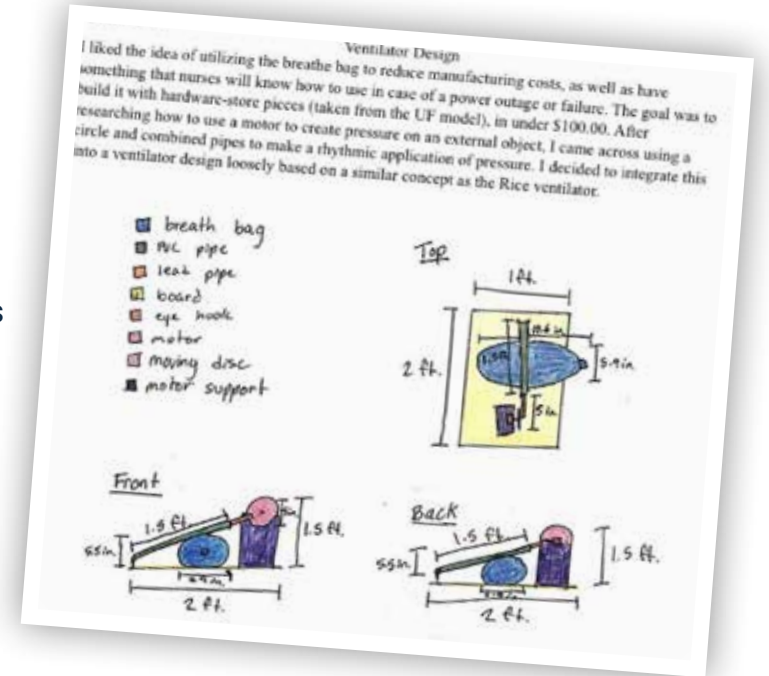

THUNDER CAVE PROJECT

Fourth graders participated in a fun cross-curricular project in response to reading, "Thunder Cave," by Roland Smith. Students spun a wheel and then took a journey to a foreign destination. They planned an entire vacation with a set budget using links to websites such as Expedia and Yelp, and even adapted to travel complications according to the "wheel of misfortune." Students made photo albums and educational videos about their country, which were then shared with their classes via Padlet.

VENTILATOR PROJECT

As part of a unit on biomedical engineering, Mrs. Masau's class discussed medical needs resulting from the pandemic and identified ventilators as one of the most important types of medical equipment necessary to treat infected patients. They conducted a research project that examined functions of a basic ventilator, compared and contrasted two recent models, and were then tasked with redesigning a ventilator with suggestions for various parts and materials.

QUOTES FROM WARRIOR FAMILIES

"The teachers at The Woodlands Christian Academy are AWESOME! The lessons are thorough, engaging, creative, and totally doable. The teachers at Woodlands Christian are awesome – my gratitude is beyond words!"

"The teachers at Woodlands Christian do an outstanding job. They truly go above and beyond! The distance learning rollout has been smooth, the lessons are spot on, and teachers have remained positive and helpful every step of the way. I am so thankful to Woodlands Christian for helping us continue our children's learning in a really great way."

"I love the Christ-centered community at Woodlands Christian. Being able to ask a teacher or friends to pray for or with you is special, and you can't do that at other schools. The teachers always have the students' best interest in mind, and they take the time to make sure we understand the coursework."

"I love the ability to learn everything from a Christian lens. The ability to speak openly about our faith is something that can be only found at The Woodlands Christian Academy."

"I am so proud of the educational and spiritual community the leadership and staff has built for our children! We could not be at a better institution of learning during this time, than The Woodlands Christian Academy."

"I am thankful for the efforts the leadership at Woodlands Christian put in to coordinate distance learning. I realize this is a whole new challenge and so far it's been very streamlined! I am thankful for the teachers and administrators who are working around the clock to make sure we still learn in these circumstances."

"I love that at TWCA, everything is grounded in faith. No matter which class you're attending, or what time of day it is, there is always someone to remind you that God is the foundation for everything!"

"We are so happy with the return on investment we are receiving from TWCA. Our kids are being challenged academically and encouraged emotionally, spiritually and physically. We could not be happier with the job the TWCA faculty are doing during these trying times."

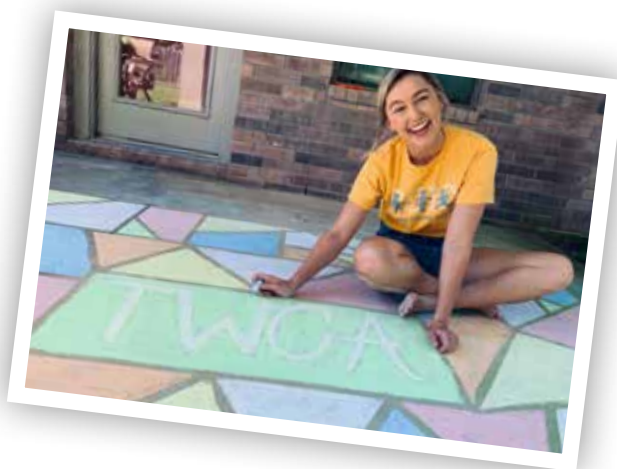

"I love the academic and athletic opportunities offered at Woodlands Christian. The teachers and administrators work with you to choose classes and sports that help you grow and develop in preparation for college. We are a small school with a huge presence and big spirit."

PHYSICAL DEVELOPMENT

Social distancing brought an early end to the spring competition season challenging our staff to initiate creative ways for students to continue cultivating a healthy lifestyle.

LOWER SCHOOL FIELD DAY

Throughout each week of online instruction, lower school P.E. teacher, Coach Wofford, provided ideas for students to stay active – such as doing the number of jumping jacks as there are letters in your name or going on a nature walk. They participated in an adjusted version of Field Day that spanned five days and included fun challenges, activities and games for students to complete and share with their classmates.

STRAVA

Middle school P.E. shifted online with STRAVA, an online application that tracks workouts and cardiovascular activity like running, hiking or biking. Students joined the secure TWCA group which enabled staff to monitor their efforts and allowed interested participants to share individual results with the community and compete against each other.

TEAMBUILDR

Aside from posting daily videos demonstrating at-home workouts using limited, household resources, Coach Walker established TeamBuildr accounts for high school students. This application sends easy-to-follow workouts that are customized according to the athlete's individual needs – sport, age, etc.

KINDERGARTEN GRADUATION

We look forward to recognizing our students' transition to first grade during our annual kindergarten graduation ceremony. To comply with the public gathering restrictions related to COVID-19, we celebrated the Class of 2020 with an on-campus car parade. Kindergarten families decorated their vehicles with shoe polish and streamers. Graduates, fully dressed in their cap and gown, poked their heads through sunroofs, windows, and sliding doors as they drove through the carline. Their faces lit up as they approached the cheering faculty and staff who congratulated each graduate, gave air hugs, and waved goodbye from a distance.

Scan to view the 2020 Kindergarten Graduation Parade

THE CLASS OF 2020

The activities, events, and celebrations traditionally held for graduating seniors were perhaps most affected by the shift in education. Stay-at-home orders were announced on the heels of a heavy end-of-the-year senior events calendar, cutting short their time on and off campus – competing, making memories, and growing together – with their teachers, teammates, and friends. Despite the state of affairs, these students stayed positive and engaged, and found ways to continue strengthening the relationships they'd built throughout their time together as Warriors.

SENIOR CELEBRATION

All 65 seniors gathered on Zoom to celebrate College Decision Day. Dressed in their college t-shirts, this was an opportunity to recognize these students' academic achievements and learn where they will continue their education in the fall. Mrs. Rowe stated, "You have worked incredibly hard, and it shows. You are going to great colleges and it's unprecedented and crazy what you've accomplished."

LAST LECTURE

Mrs. Phillips assigned senior English IV students with a project based on the bestselling book, "The Last Lecture," by Randy Pausch. The "Senior Last Lecture" challenged students to reflect on what they learned, what they believe, what they wished to say to TWCA, and to consider what it means to graduate during this historic period in time. Below are a few of what Mrs. Phillips calls "golden nuggets" – meaningful takeaways from their submissions.

"It is crazy to think things can turn so unexpectedly. What's even crazier is God knew and planned these life changing events for a reason. None of us may know the specific reason, but we must have faith that he has a greater plan."
-Caden Queck

"Selfish love benefits one person, but sacrificial love changes lives."
-Juhui Cheon

"With the Lord by my side and the strength that He gives me, I can accomplish every goal that I set my mind to, conquer every brick wall I face, and part any sea with His guidance. There are many things that this life has taught me, but none of it would mean anything without God."
-Sarah Grace Parker

SENIOR SHOUT-OUTS

Students, staff, parents, and others shared special messages of encouragement and congratulations in the "Senior Shout-Outs" section of our dedicated Class of 2020 website landing page.

SENIOR GRADUATION

After months of Zoom celebrations, distance learning and uncertainty, we were thrilled to celebrate the Class of 2020 with an in-person commencement ceremony. The group of 65 marched into Warrior stadium as bagpipes played "Scotland the Brave." Guests heard remarks from Mrs. Ambler, Mr. Clark, Valedictorian Kristen Harris, and Salutatorian Juhui Cheon before receiving their diplomas during the outdoor event.

ALUMNI

2008 Graduate, Brennan Poole

CATCHING UP WITH BRENNAN POOLE, CLASS OF 2008

Brennan Poole is a proud TWCA alumnus and professional racecar driver. He is currently racing in the NASCAR Cup Series and NASCAR Truck Series.

Q: HOW LONG HAVE YOU BEEN RACING NOW? AND WHAT DO YOU LOVE ABOUT IT?

A: I started when I was 5 and I'm 28, about to turn 29 now, so 24 years. They have a thing called Quarter Midget Racing, I started at the same track as Jeff Gordon. My dad took me to watch when I was 4 and asked if I wanted to try. It was the coolest thing I'd seen, so I did it and I've been racing ever since.

Q: WHAT ARE SOME OF THE CHALLENGES THAT COME WITH RACING?

A: It takes a tremendous amount of faith. You want this dream so bad, but there's a lot out of your control. My faith helped me a tremendous amount. There were so many ups and downs in my career, but God always took care of me.

Q: WHAT IS YOUR FAVORITE MEMORY FROM YOUR TIME HERE?

A: There are so many. I remember when I was a kid, there was field day. There were so many activities and it was so much fun. I miss playing basketball in high school. I was there the first year we won the State TAPPS Championship. I'm a competitor, so I just miss my time there building relationships with my teammates and my coaches.

Q: WHAT DO YOU MISS MOST ABOUT THE WOODLANDS/HOME?

A: Well, when I think about home, I think about Mexican food. That's what I miss first. Then there are the little things, like Whataburger or Shipley. When I was in school, we had a 10 minute break, and you could buy a biscuit or kolaches. So, I miss the kolaches and no one knows what a kolache is outside of Texas, so they don't know what I'm talking about.

Q: WHAT DO YOU THINK WAS THE MOST VALUABLE LESSON/TAKEAWAY FROM YOUR TIME HERE AND HOW DO YOU THINK IT SHAPES WHO YOU ARE NOW AND WHAT YOU DO?

A: How I was able to learn so much about the Lord and my faith. I was racing a lot. I was gone a lot traveling and racing. Being able to have chapel and class that taught me about the Word... most of my knowledge about faith, and my relationship with God, was through Bible classes. It helped me learn a lot and helped me through the tough times to where I am [now]. Having that strong foundation from when I was so young, from 2nd grade to 12th... Every week I was in those classes and building that relationship with God. It made me really strong. Those are things you can't replace - those experiences in class. There are so many things that impacted me in a positive way.

WARRIOR ALUMNI

KYLER FERRIS, CLASS OF 2010

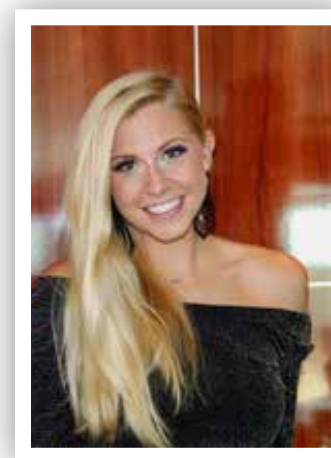

Kyler Ferris graduated from the Mays Business School at Texas A&M University with a Bachelor in Business Administration in Finance. After years of hands-on training in the fields of investments and real estate, Kyler established the Ferris Realty Group in The Woodlands in 2019. He and his team serve residential real estate needs in The Woodlands and surrounding communities.

"I am so happy to be back in the area to raise my family and to be able to serve this community."

BRANDON GLOVER, CLASS OF 2011

Brandon Glover earned his Bachelor of Science degree in Mechanical Engineering from Baylor University in May 2015. Currently, he works at SpaceX as a Test Engineer for the Falcon 9 rocket in McGregor, TX. In May 2020, SpaceX became the first private company to launch humans into space. Brandon leads a team of ten engineers who are responsible for the final testing, inspections, and assembly of the F9 rocket before sending it to the launch site in Cape Canaveral, FL.

"Being able to say that I personally had a hand in such an incredible accomplishment has been nerve-racking, humbling, and rewarding all at the same time. I am so grateful for the work God has helped me to pursue, and I am excited to see what the future continues to hold!"

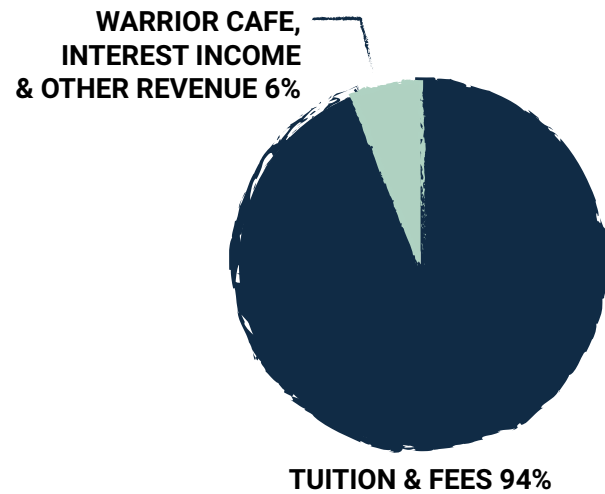

JESSICA ROBINSON, CLASS OF 2015

Jessica Robinson graduated from The University of Texas at Austin in 2018 with two degrees — a Bachelor of Journalism and Bachelor of Science in Corporate Communications. She worked for Teach for America for two years, serving underprivileged, low-income students in Oakland, CA. During this time Jessica completed her Master of Art in Urban Education Administration and Policy at Loyola Marymount University. She currently works in finance at Morningstar headquarters in Chicago, IL.

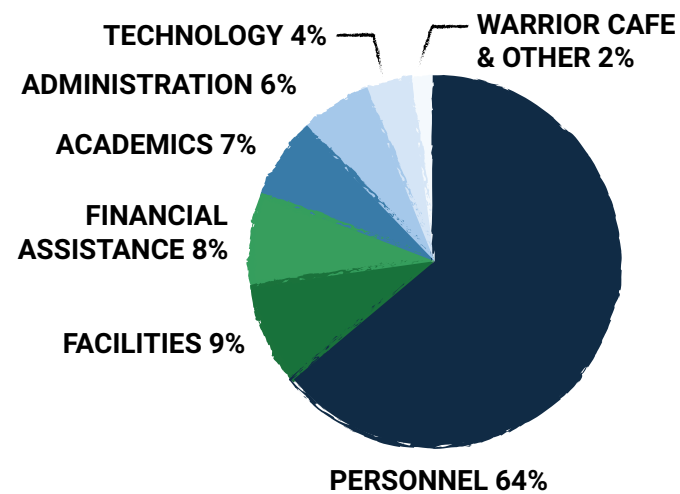

"I am excited to see how God will continue to mold me and shape me into who He is calling me to be throughout career and location changes."

KELLIE ARMSTRONG
Director of Development

In the fall of 2019, Kellie Armstrong, the Director of Development, received her Certified Fund Raising Executive (CFRE) credentials. To become certified, fundraising professionals must meet education, professional practice, and professional performance requirements; pass a comprehensive exam on best practices in ethical fundraising; and attest that they are knowledgeable and abide by the International Statement of Ethical Principles in Fundraising as well as laws governing fundraising in their region of practice.

NOTICE OF NON-DISCRIMINATION

Based on receipt of federal financial assistance through a Paycheck Protection Program loan administered through the U.S. Small Business Administration (SBA) under the CAREs Act, the School acknowledges its obligation to prohibit discrimination, harassment, or retaliation on the basis of race, color, age, national origin, sex, citizenship status, genetic information, handicap or disability in admissions, access, employment, tuition assistance, educational policies, or other school administered student and employee programs and activities. Questions regarding the School's compliance with the application and administration of the School's nondiscrimination policies should be directed to Jacque Finch, Director of HR, Policy Administration & QA, 936-273-2555 x 1307, jacque.finch@twca.net, 5800 Academy Way, The Woodlands, Texas 77384, or to the U.S. Department of Education's Office for Civil Rights (OCR) or to the SBA. Please refer to the School's SBA Non-Discrimination Compliance Policy on the School's website for information on how to file complaints with OCR or the SBA. This notice will remain in effect until the School has satisfied and paid off the SBA Paycheck Protection Loan.

GODLY GRIT

WOODLANDS CHRISTIAN

CONSIDER IT **PURE JOY,**

MY BROTHERS AND SISTERS, WHENEVER YOU FACE

TRIALS OF MANY KINDS,

BECAUSE YOU KNOW THAT

THE TESTING OF YOUR FAITH

PRODUCES PERSEVERANCE.

LET PERSEVERANCE FINISH ITS WORK

SO THAT YOU MAY BE **MATURE AND COMPLETE,**

NOT LACKING ANYTHING.

JAMES 1:2-4
