

# 16<sup>TH</sup> ANNUAL MIDDLE SCHOOL MATHALON

**Registration Deadline—March 19, 2021**

- Presenter:** Ms. Brenda Calabria
- Dates:** March 25<sup>th</sup>, April 6<sup>th</sup> and April 23<sup>rd</sup>, 2021
- Time:** 9:00-1:00 p.m.
- Location:** Wayne-Finger Lakes BOCES, Conference Center
- Cost:** CoSer: \$85.00 per team (Grades 6, 7 and 8)  
Non-CoSer: \$110.50 per team

*Due to Covid-19 students are required to wear masks at all times. A space has been reserved to ensure proper social distancing. This event is subject to cancelation depending on the current state mandates at the time of the event.*

Districts can bring up to two teams with each team consisting of three students; one student from each grade level of 6th, 7th and 8th to compete against other district teams in a mathematics competition. *It is suggested and preferred that students who have not participated in this event be given an opportunity to represent their district this school year.*

## **Description:**

Is math easy for you? Are you a wizard when solving problems? This competition gives students an opportunity to put both of these skills to the test. Each team will be asked to engage in mathematical problems that will be judged by a panel of experts, where points will be awarded based on problem solving techniques, correct answers, and creativity of presentation. At the conclusion of each session, a school-team winner will be announced as well as an over-all competition winner.

**[Click here to register your teams!](#)**

*Students should bring their lunch. Food is available for purchase at the Orchard Café.*
