

Community council  
March 19, 2020

Due to the Covid-19 pandemic and school closure, our Student Success and Trust lands plans we did not hold a community council meeting in March. The SSP and TL budet were sent to the community council via email for approval.

Community Council,

Here is the attached Student Success Plan for next year. Mr. Hammer was going to set up a zoom meeting for this but feels we can accomplish the same thing through email.

Please respond quickly so we can get it approved!

Thanks so much!

Ryan Maxfield

Here is his request...

Please ask the council to take a look at the attached plan. If they have feedback or questions they are welcome to contact me at [shammer@dsdmail.net](mailto:shammer@dsdmail.net) . I need to have everyone respond with "approve" or let me know their concerns as soon as possible. Our final approval will follow once we have heard back from the majority of our council. I will then send a digital signature link for the final approval.

I hope you and your family are doing well.

Thank you,

Steve
