- Initial cut on Oct. 27th. Final roster cut on Oct. 28th. Tryouts may be extended at the coaches' discretion.
- Please bring a cheap, plain, white/gray shirt to tryouts. We will be assigning every player a number for tryouts and writing the number on your shirt. If your family needs assistance in providing a shirt, please contact Coach Jacobs.
- All students are required to submit their physical and athletic consent forms before they are able to participate. If you played a fall sport this year, these forms should already be taken care of. These forms can be found here:  
<https://www.ccs.k12.in.us/cam/athletics/required-forms>
- If you participated in a school sport last year, you may reuse your 2019 physical. Students who do so need to fill out the Health History Update, which can be found on the same page as the other required athletic forms (This is ONLY for those reusing their 2019 physical).
- Students must be academically eligible, and maintain eligibility, in order to play. As student-athletes, academics take priority over athletics.
- With the lack of open gyms this year, it is highly recommended to start playing and conditioning before tryouts begin.

## Required for tryouts:

- Physical
- Athletic Consent form
- Health History Update (Only needed if using 2019 physical)
