HopSkipDrive

HOPSKIPDRIVE
WEST VALLEY

Westmark School is pleased to be working with HopSkipDrive to service the West Valley route. Founded by three working moms in Los Angeles, HopSkipDrive is the leading ride service for children. All HopSkipDrive CareDrivers must pass a selective 15-point certification process, including extensive background checks, fingerprinting and in-person screening. CareDrivers must also have 5 years or more of caregiving experience and adhere to a strict code of conduct. HopSkipDrive tracks and monitors every ride in real time with a team of dedicated safety specialists and parents can utilize the HopSkipDrive app to monitor their child's rides with Westmark as well.

If you are interested in using this service for the West Valley please contact Jenny Young at 818-986-5045 jyoung@westmarkschool.org.
