### **Current SIP Review (School Improvement Plan):**

Goals that were created for this year are

- Layton Elementary will increase the percentage of K-3 students making typical or better growth on the Acadience Pathways-to-Progress middle-of-year composite score benchmark from 67% in 2018-2019 to 70% in 2020-2021
- Layton Elementary will improve literacy of our English Language Learners and Students with Disabilities, with 50% more students making typical or better growth on Acadience Pathways-to-Progress.
- Layton Elementary students will have the content knowledge and understanding of scientific concepts and processes required for personal decision-making, prediction of natural phenomenon, and evaluation of scientific information and argument with the introduction of new Utah Science Core Curriculum
- Layton Elementary School will intentionally create and maintain an environment in which students' diverse backgrounds, identities, strengths, and challenges are acknowledged and respected,. Using the five CASEL SEL Competencies, indicators, and strategies along with Sustainable Development Goals. We expect student centered Social Emotional goals to support learners and learner proficiency as outlined in goals number 1 and 2.
