

_____ 's Learning Plan

Diagnosis:**Accommodations:**

Note: Extended time must be arranged ahead of time with the classroom teacher and Learning Services staff. Tests must be completed on the day they begin.

Strengths and Interests:**Challenge:****Strategies:****Challenge:****Strategies:****Challenge:****Strategies:****Learning Supports provided for all students at Urban:**

- Department Tutorials
- E/T period study halls
- Week sheets
- Peer tutors
- Anti-distraction software
- Smartboard notes uploaded to Schoology
- Interim reports with feedback about specific skills. 1-on-1 Interim check-ins with teachers.
- Detailed feedback on major assignments, including standards-based rubrics.

Recommended strategies for all students:

- Meet with teachers at the beginning of each term to discuss your Learning Plan and class-specific strategies.
- Read week sheets at the beginning of each week to plan when things will get done.
- Check email at least once a day. Respond to teacher emails upon receipt.
- Choose a seat in class that maximizes your focus.
- Study in small chunks of time over several days. Study by writing out complete answers to questions from homework, classwork, or review worksheets. Use these active study strategies instead of solely rereading your notes, Smartboard notes, or reviewing books/class handouts.
- Eat breakfast and lunch.
- Complete recycles thoroughly.
