

## Who's Eligible for Benefits?

You are eligible to participate in benefits **30 days after your date of hire** if you are:

- A Teacher, Teaching Assistant, Nurse
- A Clerical Employee or CSEA Non Teaching Employee
- An Administrator or Certain Unaffiliated Employees

You are also able to enroll your eligible dependents, which include your spouse (same sex or opposite sex) and dependent children.

Children are eligible for health care coverage until the end of the month in which they attain age 26.

If you are covering an eligible dependent for the first time, you will need to provide documentation to prove dependency. Once you enroll, you will receive dependent verification information along with your enrollment confirmation statement.

You must submit the required dependent verification documentation by November 30, 2020.

Failure to provide documentation may result in the inability to cover your dependent(s).

There are three easy ways to submit your documentation:
