## TUSD Reopening Schools Update

October 21, 2020

TUSD Families,

On October 20, 2020 TUSD School Board, held a special board meeting to reconsider the reopening start date for TUSD Schools. The TUSD school board of trustees voted to continue Distance Learning for all TUSD K-12 schools through December 18, 2020 and we look forward to reopening schools January 4, 2021. The reopening of schools in January will allow for a smooth academic transition for our students and staff.

As a district we will continue to put all our efforts toward providing the best Distance Learning experience possible for our students. We expect to distribute laptop devices to our remaining K-5 students in the upcoming weeks, with more communication to come from your school sites for distribution dates. We recognize that Distance Learning can be challenging, and we thank you for your continued efforts and commitment as partners in the education of your children.

TUSD will continue to focus on reopening with our health and safety measures that have been approved by the State and County Health Department, and school sites will reach out to you regarding your return to school survey response in the upcoming weeks. We look forward to bringing students back to school in the future.

Sincerely,

Julianna Stocking

Associate Superintendent of Educational Services

Tracy Unified School District
