

Dear Jaindl Families,

This is the 10<sup>th</sup> year Jaindl students and staff are honoring veterans and those men and women who are currently serving our country. Unfortunately, we cannot have our annual program, but we would still like to show our respect to our veterans. Closer to Veterans Day a video will be shared with you in the hopes that you can forward it to veterans in your family.

We would like to continue our tradition of sending cards to the veterans to show our appreciation for all they have done for us and for our country. If you would like cards sent please email names and addresses of veterans to the address below. Students will be working on letters and cards in school and online. Online students can drop off letters or cards they make in a box in the school lobby during school hours. We will be collecting until Nov. 2<sup>nd</sup>. Some online teachers may be printing letters from students so follow the direction of your teacher.

Our display of veterans' photos is growing every year. The students and staff enjoy looking at the current veterans and remembering the veterans in our lives who have passed. If you would like a photo to be added to the display be sure to email the photo, name of the veteran, name of the Jaindl student, and their relationship to the veteran.

All addresses, photos, or any questions can be directed to:

Thank you for helping us honor the veterans of Jaindl students and staff!
