## College Search

The College Search tool is a great starting point for the college search process. You can enter information into a set of filters: Must Have, Nice to Have, and No Thanks. Use the filters as a guide to start thinking about each subcategory and whether or not it is important to you. The College Search tool will then create a list of schools that fit the criteria you have entered. You can then “pin” colleges to save them to your My Colleges list.

College Search ⇒ + Add ⇒ Fill out preferences

The screenshot displays the SCOIR College Search interface. On the left, there are filter categories: Must Have (Academic Focus: Psychology, Distance/Location: California), Nice to Have, Personal Interests & Activities (hiking), and No Thanks (Campus Setting: Rural). The main area shows three search results, each with a college logo, name, location, and a table of statistics. All three colleges are marked as 'Meets all preferences!'.

College	Average SAT Score	Average ACT Score	Acceptance Rate	No. Undergrads
Scripps College (Claremont, CA)	1375	31	33%	973
California State University (Sacramento) (Sacramento, CA)	1040	20	68%	27,723
University of California (Davis) (Davis, CA)	1245	28	43%	28,257

You can then click on each college to find more detailed information. This includes acceptance rate, cost, virtual tours, average SAT/ACT scores, student life, makeup of the student body, retention rates, top majors, and proximity to transportation.

## Sign Up for College Visits

Many college admissions representatives visit NDP during the school year. They give a 30-40 minute presentation about their college or university, and allow time for the students to ask questions. These visits occur during the school day.

## **Signing FERPA Waiver and Release**

### Sign Ferpa Release

We need to share with you some information about privacy, and we'll need you to answer a question before you proceed. Applying to colleges usually involves your high school sending transcripts, letters of recommendation, and other documents to college admissions offices. Similarly, you might need your high school to send these types of documents elsewhere for similar reasons, like a scholarship opportunity, job application, or military service. Your personal information in these documents is protected under regulation known as the Family Educational Rights and Privacy Act. We need to make sure you understand your rights and tell us that it's OK to send these documents. Here are the details...

### NOTICE OF RIGHTS

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records and gives students/parents certain rights with respect to reviewing and challenging education records.

Some protections provided under FERPA prevent or otherwise limit the disclosure of personally identifiable information contained in education records typically requested by colleges, scholarship providers, and employers as part of their application processes. The "Release Authorization" you are being asked to provide below authorizes us to send transcripts, letters of recommendation, and other application-related documents to the colleges and institutions to which you are applying.

## RELEASE AUTHORIZATION

**Granted**

I hereby authorize my high school counselors and administrators to release all academic transcripts, letters of recommendation, and other reasonably requested educational records to (i) all colleges and postsecondary institutions to which I indicate that I intend to apply and (ii) all other institutions, such as athletic governing associations and organizations offering scholarships, to which I request that they be sent.

**Not Granted**

I DO NOT CONSENT to the release of personally identifiable information contained in my education records. I understand that my not agreeing to this release might preclude the high school from providing certain application-related documents requested by colleges and other institutions.

## ELECTRONIC CONSENT

I understand that when I click the "Save" button below I will be affixing my digital signature to this legally binding model authorization. If I am a parent/guardian of a minor, I understand that these rights pertain to the personally identifiable information contained in my child's education records.

### WAIVER OF RIGHTS

**Granted**

I hereby waive my right to inspect and review any confidential letters and confidential statements, such as letters of recommendations, assessments, and application review notes that relate to my admission to an educational institution. I understand that I may revoke this waiver at any time by providing written notice to my high school counselor and that such revocation will only apply to actions occurring after the date of my written notice.

**Not Granted**

I DO NOT WAIVE any of my right to inspect and review confidential information relating to my admission to an educational institution.

I understand that when I click the "Save" button below I will be affixing my digital signature to this legally binding model authorization. If I am a parent/guardian of a minor, I understand that these rights pertain to the personally identifiable information contained in my child's education records.

## My Colleges- Applying

On the right, there are icons for chat, notifications (with a red '1'), and a user profile. Below the navigation is a search bar for 'Recommendations and Fee Waivers' and a 'sort by Deadline' dropdown. The main content is divided into three columns:

- Following (6) Schools you like:** Contains a list of colleges with their logos and names: Chapman University (Orange, CA), Saint Edward's University (Austin, TX), Southern Methodist University (Dallas, TX), Trinity University (San Antonio, TX), and University of Redlands (Redlands, CA). Each entry has a 'Match' indicator and a three-dot menu icon.
- Applying (7) Applications in Progress:** Contains a list of colleges with their logos and names: Pepperdine University (Malibu, CA), Gonzaga University (Spokane, WA), and Santa Clara University (Santa Clara, CA). On the left side of the 'Following' column, there is a vertical sidebar with a trash icon and the text 'Not Interested view'. A blue circular logo with a white 'S' is in the bottom right corner.

## Adding Teachers to SCOIR for Letters of Recommendation

You will need to add each NDP teacher that is writing you a letter of recommendation. This request on SCOIR will send the teacher an email with a link for them to upload their letter on to SCOIR.
