

- ❖ Dress as your favorite character from a BOOK!
- ❖ Be prepared to share about your character.
- ❖ Bring the book with your character.
- ❖ Please do not wear a costume mask or bring accessories such as swords or weapons.
- ❖ Scary costumes should be saved for home.
- ❖ Preschool, Kindergarteners and elementary students may bring a change of uniform clothes or they may stay in costume. If this costume is also the student's Halloween costume, they may need to label all parts of the costume and be sure to bring a bag for the costume. Since it is a half day, they may choose to wear the costume all morning.
 - Students who have PE on Friday will be able to participate in their costumes or change into their PE uniforms if they wish.
- ❖ Students will still be required to wear a protective facial mask, and we will continue to distance throughout the morning.
- ❖ Videos will be taken of the parades and posted on Seesaw for the parents to view.
