

ABS Newsletter October 22, 2020

Hello Albert Bridge School Community,

We are getting into a nice groove with our remote learning! Thank you to our families for working to support your child's growth during this time. We recognize the enormous challenge this can place on home life and we're happy to problem solve those challenges with you.

Those who've been able to check out our full school morning meeting/ full school theme are already familiar with our theme: A Celebration of Humanity. During our year together we will focus on aspects that make a similar, helping to connect us and aspects that are a little different between us, helping us grow. We would like to encourage our families to join in the conversation. Our guiding questions for the year are:

- In what ways are we better together than alone?
- How do we lift each other up in a group?
- How are we accountable for and to each other in a group?

We welcome your thoughts and participation as you find interest and ability!

Stay Well!

Jenifer Aldrich

Here are the links to our first 4 weeks

[Week 1](#) October 1

[Week 2](#) October 8

[Family Edition \(remote day\)](#) October 9

[Week 3](#) October 15

[Week 4](#) October 22

11/30-12/4 – Remote Learning
12/21-12/23 Remote Learning
12/24-1/3 – Holiday Recess No School

Celebrating Halloween Friday, 10/30/20

For Halloween we are going to have each student in each class carve pumpkins. Then we are going to have those pumpkins displayed from various locations around the school (field, playground etc) and staff members will put in flames tea candles Halloween late afternoon so families and community members can drive by and see the student's pumpkins. So what we are looking for is for students (if able) to bring in a pumpkin for themselves and if families are able to bring in a donated pumpkin to cover a student that might be unable to bring one in. We will also be looking for donations of flameless tea lights to put in the pumpkin. Pumpkins should come Monday of next week.
