MISSION STATEMENT

The American School in Switzerland (TASIS) is part of a family of international schools that welcomes young people from all nationalities to an educational community that fosters a passion for excellence along with mutual respect and understanding. Consistent with the vision of its founder, M. Crist Fleming, TASIS is committed to transmitting the heritage of Western civilization and world cultures: the creations, achievements, traditions, and ideals from the past that offer purpose in the present and hope for the future. Seeking to balance the pursuit of knowledge with the love of wisdom, and promoting the skills of lifelong learning, an appreciation for beauty, and the development of character, each school combines a challenging academic program with opportunities for artistic endeavor, physical activity, and service to others. Believing in the worth of each individual and the importance of enduring relationships, TASIS seeks to embody and instill the values of personal responsibility, civility, compassion, justice, and truth.

THE SCHOOL

TASIS Switzerland is the first of several TASIS Schools founded by M. Crist Fleming. Founded in 1956 as a private, co-educational boarding and day school, it is the

oldest American boarding school in Europe. Now serving students from Pre-Kindergarten to Postgraduate, TASIS is accredited by the New England Association of Schools & Colleges and the European Council of International Schools.

FACULTY

Of the 68 High School faculty members, 82 percent hold advanced degrees and 54 percent hail from the United States. TASIS actively encourages professional development, supports faculty graduate study, and requires peer observation and dialogue about teaching and learning.

STUDENT BODY

The High School is composed of 242 boarding students and 157 day students, with 43* nations represented. The majority of students (61%) come from Europe, with the remainder hailing from the United States and Canada (12%), Latin America (10%), the Middle East and Africa (9%), and Asia (8%). The Class of 2022 comprises 104 students, and the High School retention rate is 88%.

** 43 countries of residency, 54 different nationalities, and 50 different primary nationalities*

TASIS POLICY ON REPORTING GPA AND CLASS RANK

The school year is divided into two semesters, ending in January and June. The year-end grade is cumulative, covering the full work in a year's course and reflecting a 50%/50% weighting for the first and second semesters, respectively. The Academic Honor Roll is calculated each midterm and end-of-semester grading period. Students with a GPA of 3.8 or higher in a given semester receive Highest Honors while those with a 3.5 or higher receive High Honors and those with a 3.2 or higher receive Honors. TASIS does not rank students or report *cumulative* GPA because the majority of TASIS seniors have been at TASIS for fewer than four semesters at the time of university application.

ADDITIONAL PROGRAM STRENGTHS

Opsahl Global Service Program

The Opsahl Global Service Program was envisioned by Jan Opsahl '68, the School's first international student, who believes that the experience of serving those in need should be required for every TASIS student. Global Service groups partner with an array of organizations, from international nonprofits to country-specific institutions to local charities, and students attend weekly service meetings throughout the year to prepare for service trips throughout Europe, Africa, and Asia.

STATEMENT ABOUT COVID-19

TASIS offered live classes—and hybrid instruction, as needed—throughout the entire 2020–2021 academic year. Extracurricular activities were offered in a limited capacity, but travel was very restricted. Students demonstrated tremendous resilience and motivation, working extremely hard in their courses and building a strong community in this new Covid environment. If we are aware of a personal impact, this will be shared in the student's recommendation.

STATEMENT ABOUT TASIS TRANSCRIPTS

Beginning with the 2021–22 academic year, TASIS has changed the grading scale for all IB Diploma course students from an A–F scale to a 1–7 scale. Students in AP or non-IB Diploma courses will continue to be assessed with an A–F grade scale. The equivalency scale we would recommend using is as follows:

6/7 = A | 5 = B | 4 = C | 3 = D

Academic and Independent Travel

Travel is an integral part of a TASIS education. Whether academic or independent travel, students have an exceptional opportunity to take advantage of their location in the middle of Europe. Academic Travel is part of the Middle and High School curriculum and is a graduation requirement for all students. Some travel assignments are related to courses of study, some are related to particular student interests, and others are assigned by grade level.
