

College Park Elementary School Title I School-Parent Compact 2020 – 2021

The school-parent compact is a written agreement between parents/ guardian, teachers, and students that provides an opportunity to create new partnerships in your school community. It is a document that explains what families and schools can do to help children reach high academic standards of excellence. Each campus receiving Title I funds is required to develop a compact. The compact serves as a clear reminder of all stakeholders' responsibility to take action at school and at home so that children can attain the state's academic achievement standards. The underlying assumption is that a student's academic success will improve when the home and school work together.
