

Marquette St. Cares

Hello CARE Families,

We are happy to be back in school and have your children in our care. But we miss you. How can we stay connected? Each month we'll be sending a CARE's newsletter so you can see what we are doing.

In this first issue, you will get to know the staff and get a glimpse of your child's day in action; Before Care, Extended Care AM/PM & After Care.

Mrs. Theresa Gouin
Theresa Gouin here! I am your Child Care Coordinator. This is my 13th year with XCS; this year will not be typical, but it will be FUN! It has been so great to hear all the laughter and see all the smiles!

Sue Johnson: I have been with the care programs at both elementary campuses. I am happy to be a part of Before, Extended and After Care this school year.

Nancy Nelson: I have been with the Xavier School System 8 years, I joined the Cares group 7 1/2 years ago. I love to volunteer my time with extracurricular activities that the school offers.

Kat Gamboa: I have been with the Xavier Care Program since October of 2016. I have a 15-year-old son who attends Xavier High School. I am excited for this school year and it has been a wonderful start & I am enjoying my new role as the CARE Lead!

Rick Duncan: The Care program is pure joy for me, and I pray that it is for the children that have been placed in my care by God and their parents. I look forward to every moment I am with the children. I did not know what I was going to do in my retirement three years ago, but being part of the Care program is more than a dream come true, it is a prayer answered. I will be forever grateful.

Hi! I am Mrs. Dengel. I've been teaching pre-k age children over 35 years. I've been at Marquette Campus with the care program for 20 years. It's hard for me to retire because all the children are so precious. In my free time, I enjoy traveling with my grandkids.
