“A COMMITMENT TO EXCELLENCE”

REVISED Covid 19 Travel Alert

10/22/20

Office of the Superintendent

In light of the travel advisories enacted by the State of New Jersey that now apply to 39 states and U.S. jurisdictions (see list below), the District is asking parents and staff to organize their travel plans accordingly. We have been advised by local health officials that students and staff who travel to one of the 39 states and U.S. jurisdictions must self-quarantine for a full 14 days upon their return to New Jersey. A negative virus test does not supersede the quarantine period.

The same travel advisory applies to student-athletes and students in co-curricular activities, such as Band. Any student who travels to one of the 39 states and U.S. jurisdictions listed below must self-quarantine for a full 14 days upon their return to New Jersey.

Dr. Lee Seitz
Interim Superintendent of Schools
