

Mary Washington Howe Pre-K Center

It's a great day to be a bear!

Events we hold to help build partnerships:

- Open House
- Classroom Volunteering
- Family Home Projects
- Parent/Teacher Conference
- Field Trips
- Fun Day
- School-wide Activities throughout the year

Communication Resources:

We are devoted to communicating regularly with families about students. The ways in which we communicate are:

District and school websites, Blackboard Connect 5 phone calls, Howe Pre-K Facebook page, Twitter & Instagram, Daily Communication folder from teacher, Teacher newsletters, and Parent-Teacher Conferences.

Questions about your child's progress? Please contact your child's teacher.

The home and school connection is vital to our students' success in school. Here are some ideas about how our school and families can support students.

In the Classroom

Howe Pre-K Team will...

Work with families to support students' success in all areas of development.

Some of our key connections with families will be:

- Send home monthly newsletters
- Send home books to read
- Provide volunteer opportunities for classroom participation
- Communicate daily through home school communicator
- Celebrate your child's success!

At Home

Parents/Families will...

- Read the class newsletter monthly
 - Read nightly with your child and talk about how the story connects with things your child has experienced
 - Play games to review classroom skills
 - Check the communication folder daily
 - Celebrate your child's success!
-

Family & School Together

This Family-School Compact for Achievement was created to support our students, their families, and our school community.

Teachers and families work together to address the needs of the WHOLE child.

Parents are welcome to contribute comments at any time. If you would like to volunteer in the school/classroom or serve on a committee, please contact your child's teacher or the office.

Curriculum

Our school integrates Conscious Discipline and Creative Curriculum into our instruction that centers on five domains of learning. We assess our students throughout the year to determine best instructional practices that meet the child where they are so that we can prepare them for the next steps in their educational journey.

Our School Goals

Howe Pre-K Center has a School Improvement Team that analyzes school data and conducts a comprehensive needs assessment in order to create a School Improvement Plan.

The three areas targeted on our School Improvement Plan are:

- High Quality Pre-school Instruction
- Social-Emotional Development
- Communication, Engagement, and Culture

to ensure the success of ALL students.

For further information regarding our current School Improvement Plan go to www.nhcs.net/howe

What is NC Pre-K?

The NC Pre-K Program is designed to provide high-quality educational experiences to enhance school readiness for eligible children who are 4 years old by August of the current school year.
