APPLE VALLEY HIGH SCHOOL

A **STEM** school dedicated to
Academics, Arts & Athletics

A District 196 School. One District. Infinite Possibilities.

SCHOOL AND COMMUNITY

Built in 1976, Apple Valley High School is located in the city of Apple Valley in northern Dakota County and is 15 miles south of the Twin Cities of Minneapolis and St. Paul. There are four comprehensive high schools, two specialized smaller high schools, six middle schools and nineteen elementary schools which serve the families and communities within the 110 square mile area of Independent School District 196. A member of the prestigious South Suburban Conference, AVHS has a total enrollment of 1,882 students in grades 9-12 and over 115 full-time/part-time faculty members.

STEM PROGRAMMING

Apple Valley High School is a STEM school dedicated to arts, academics and athletics. Part of the District 196 pathway, Apple Valley High School is the only District 196 high school that is a certified Project Lead the Way (PLTW) site and offers a Fabrication Lab and Multi Media Maker Space available to all students. At AVHS students have the opportunity to take Cisco networking, IT Essentials, music production, video production and two levels of computer science courses. Students in our E3 STEM program also receive individual career counseling, have access to professional mentors, and participate in STEM employer partner field trips in an effort to help students gain educational and exploration opportunities in our community. STEM programming at Apple Valley High School emphasizes critical thinking, creativity, innovation and real-world problem solving and prepares students to pursue a post-secondary education and career in a STEM-related field.

OUR LEARNING FACILITY

Our state-of-the-art digital classroom design includes built-in LCDs, SMART Technology; a 1:1 student iPad program, and student mobile computing labs. Apple Valley High School also has a fully-equipped television and digital editing studio, a 650 seat Performing Arts Center with a fly loft and scene shop; a dedicated dance studio and full-time, curricular dance program; four gyms with a running track; a 4,000 square foot fitness center which is adjacent to 200 acres of playing fields, recreational facilities and competition stadiums.

CO-CURRICULAR ACTIVITIES

Apple Valley High School has a strong tradition of co-curricular excellence. We are ranked #1 in Fine Arts State Championships and #5 in Athletic State Championships in Minnesota. Students are able to pursue their interests in 28 athletic activities and over 30 fine and performing arts activities. In addition, there are many clubs which challenge the academic and interest areas of the students such as Math Team, Academic Quiz Bowl, and Science Olympiad. Intramural athletic programs are available all three trimesters.

MINNESOTA POST-SECONDARY ENROLLMENT OPTION

Juniors and Seniors at Apple Valley High School are eligible to enroll at Minnesota post secondary institutions on a full- or part-time basis. Students may take classes for both secondary, and post secondary credit. The purpose of the program is to:

1. Promote rigorous educational pursuits.
2. Provide a wider variety of options for students.

Several other college credit options are also available within our curriculum.

GRADING SYSTEM

The school year is divided into 3 marking periods or trimesters which are approximately 12 weeks long. A final grade is given for each credit taken at the end of each trimester. The grade point average (GPA) is calculated on a 4.0 system in which:

A	=	4.0	P	=	Pass, is not included in GPA
A-	=	3.7	NC/NG	=	No Credit/No Grade, not included in GPA
B+	=	3.3	S+	=	Credit via assessment - minimum standard 80% mastery - not included in GPA
B	=	3.0	I	=	Incomplete, course work not completed due to serious illness/extended absences
B-	=	2.7			
C+	=	2.3			
C	=	2.0			
C-	=	1.7			
D+	=	1.3			
D	=	1.0			
D-	=	0.7			
E	=	0.3			
F	=	0.0			

The District 196 high schools have determined that reporting class rank will no longer be practiced beginning with the class of 2020.
