

Additional Tuition Fees

Providence Christian School

- **Enrollment Fee:** a one-time fee of \$1,000 is required for each student in Kindergarten and all new students in Classes One through Eight.
- **Educational Travel Fee:** Students in Classes Six, Seven, and Eight pay an additional educational travel fee. The Educational Travel for Class Six involves a weekend discipleship retreat (\$200); Class Seven travel involves a multiple-day Texas history tour (\$500); and Class Eight travel involves a week-long trip to Washington, D.C (\$1,900). These trips are a valuable part of the Providence educational experience.
- **Other Fees:** We desire that our stated tuition rates cover the vast majority of school expenses; however, tuition does not include all costs which may be incurred by the family, such as uniforms, school lunches, and some special field trips.
