

Paradise Valley Engineering Academy

Halloween?

Living during an unprecedented time has been, well, unprecedented! To give us a bit of connection, we will be holding a Halloween Drive Thru! We encourage you to decorate your vehicle and drive thru our front parking lot with your children in costume for some goodies. The staff will be outside handing items through the windows with masks on. If you are thinking of ways to make Halloween still happen for your kiddos here are some suggestions from other Paradise families!

- Hide treats throughout the house and turn off all the lights. Give your child a flashlight and let them hunt for the treats.
- Create goody bags for kids in your "bubble" and leave them out front so you can drive to pick them up from others in your bubble.
- Decorate or carve pumpkins on your block and put them outside. The person with the best pumpkin gets a treat.

Upcoming Dates:

HALLOWEEN DRIVE THRU

10/29/20 1:30-3PM

School Portrait Make-Ups

10/28/20

10-10:45am

HSA Meeting

10/29/20 7pm-8pm

MHUSD School Board Meeting

11/3/20 6-9:30pm

Veteran's Day- No School 11/11/20

- Pick your favorite movies and get dressed up as the characters and have a movie night inside or outdoors in a tent

I hope to see you during our drive thru (Thursday, 10/29/20 from 1:30-3pm) or via zoom on Friday (I'll be popping into zoom classes). Remember, as any Halloween, please check all candy (even what we give you) to ensure your child is not allergic to anything.

Take Care, Amber

Returning to School

As you know the MHUSD School Board voted to have students not come back any earlier than January 4th. PVEA has developed our own "Safety Team" to start planning for what procedures we will put in place before students arrive. We received your survey responses from the past week and a half. Thank you for responding so that we can better prepare. As information is rolled out I will keep you in the loop.

Resources- Check in's

The front office staff and I have started to hear from parents that their kiddos are missing their favorite front office person! Therefore, we will start scheduling zoom meetings to check in and chat with your little one's. If your child is one that is missing a certain person in the front office let me know! We will start booking them next week :)

Unity Week

Thank you for taking the pledge to be inclusive of all people! We truly enjoyed seeing all of the pictures that were loaded into the PVEA picture link for Unity Week.

Meet the Staff

Ms. Claire Cabrera, 3rd Grade Teacher

Has been part of the PVEA family for 2 years

Hobbies: Reading, crocheting, and gardening

Favorite Food: Coffee!

Favorite School Memory: Sitting in the Dunk Tank during the Panther Prowl while my students try to dunk me!
