
INFORMING ACTIONS TO IMPROVE STUDENT LEARNING AND EXPERIENCES

EMILY YOUNG, GLORIA HENDERSON, JOHNNY PHU, TIM KRIEGER

SURVEY INTERESTS

- Using student, staff and family input to inform next steps as a district
 - Improving remote learning
 - Understanding & meeting student needs
 - Optimizing return-to-school efforts
- Cross-divisional
 - Informs necessary changes in practice with multiple departments and schools
- Start with existing data
 - Use both survey data as well as other forms of data that we have about the student experience
