Dear Barre Students, Families and Teachers,

We are glad that the first days of school are going well and everyone is staying safe. As of today, our district **does not** have a positive case of COVID-19. Our schools continue to take precautions to prevent the spread of COVID-19 and we are ready to act if a positive case is identified in one of our schools. If we are notified by the Vermont Department of Health that an individual at one of our schools has tested positive for COVID-19 we will move the school to 100% remote instruction for seven days or until the Vermont Department of Health has given us different guidance. This will allow time for required contact tracing and quarantining of affected individuals. It will also allow us time to thoroughly clean the affected school building. Thank you all for your understanding as we help keep the Barre community safe.

Sincerely,

David Wells
Superintendent
