Good evening BUUSD staff,

As an alternative to completing the paper COVID-19 Safety Question sheet from VOSHA at the entrances of each building, we welcome you to complete our [Daily Health Affirmation Form](#) before you enter your building each day. You are welcome to begin using this form starting tomorrow, August 27th.

If you are unable to complete this form before you enter the building each day due to technology limitations (lack of cell service, no device, etc.), you are still welcome to use the paper sheets at the entrances of your building.

We hope for this to be an easier and safer alternative for you as we comply with [VOSHA](#) requirements.

You will also find a link to this form located in your "U61 Bookmarks" folder in Google Chrome or on your school's website under the For Faculty drop-down menu. For Central Office staff, you will find the same link under the Resources drop-down menu.

If you have any questions, please contact your building lead or principal.

Thank you!
