Dear BUUSD Staff,

Today, the Barre Unified Union School District was notified that an individual in the *Barre City Elementary & Middle School* community has tested positive for COVID-19. We have been in contact with the Vermont Department of Health and they informed us, after considering the entire timeline and their knowledge of this virus, that the individual was not contagious when he or she was last at school. However, out of an abundance of caution, and to allow school staff to follow up on necessary procedures, all grades at *Barre City Elementary & Middle School* **will move to remote learning** for Friday, October 16th. The school will return to in-person instruction on Monday, October 19th.

We are committed to providing our staff with a safe and healthy environment. Thank you for your understanding and ongoing cooperation with our COVID-19 prevention procedures as we work to help protect our students, staff, and families. Please respect the privacy of any affected individuals.

We are closely monitoring this situation and will provide you with updates as we know more. If you have any questions, please do not hesitate to contact me.

David Wells
Superintendent of Schools
