# Comprehensive Needs Assessment

## Demographics

### Demographics Summary

Pace Early College High School houses a student population of 2,071 students servicing grades 9th - 12th. The student body is composed of 92% economically disadvantaged students, 75% at-risk students, and 19% English Language Learners while the mobility rate for the most recent school year is 16.1%. The ethnic distribution is 98.8% Hispanic, 1.0% White, 1.0% African American, and 0.1% Asian. The retention rate is as follows: All students 11.7% and At-Risk students 75%. The Attendance Rates for the school year were 93.4% for all students. The dropout rates for the school year were 0.8% for all students and 1.5% for at-risk students. Moreover, the completion rates for the 2017-2018 school year as reported by TEA was 96.8% for all students, 97% for Economically Disadvantaged, 97.1% for English Learners, and 96.4% for special education students. The four year Graduation Rates for the 2017-2018 school year was 96.7% for all students; 96.8% for Hispanics; 96.7% for Economically Disadvantaged; 95.8% for English Learners, and 84.5% for Special Education.

### Demographics Strengths

Amongst the many strengths in our school-wide academic program, we ensure that all students are serviced based on their individual academic and social needs. All programs center around academic success and college readiness with the terminal goal of graduating students to be college, career and/or military ready. To meet the needs of our students, Pace employs interventions, such as prescriptive and hybrid block scheduling, tutorials, and strategic teacher staffing. Pace students are also afforded other academic opportunities through the various career pathways which enable students to earn industry certifications. Moreover, Pace also offers both the School of Technology, Architecture, and Medical Professions (STAMP) and Science, Technology, Engineering, Mathematics (STEM). Pace Early College High School has identified the following demographic strengths.

1. CTE Enrollment in career pathways and number of endorsements and industry certifications earned by CTE students
2. Pace Learning Opportunities Attendance for before and after school tutorial programs
3. Enrollment increase in CTE Programs with opportunities to earn certificates and industry-based certifications
4. Increase in Cohort Express/ GAP Attendance; thus, increasing numbers of students graduating with their cohort
5. Increase in number of ECHS Cohorts and number of students interested in program

### D-DEMOGRAPHIC NEEDS:

1. Increase attendance rate to 97%

2. Increase the number of students actively participating in competitive and/or non-competitive extra-curricular activities.
3. Decrease the number of dropouts below the state average.
4. Increase graduation and completion rate for all populations
5. The Dean of Instruction, Dropout Specialist, At-Risk Program Specialist, Communities in Schools, Probation Officer, Attendance Office, Parent Liaisons, and At-Risk Counselor, will continue monitoring and providing support services to at-risk populations.
6. Continue providing at-risk tutorials and credit recovery programs /interventions before, during, and after school with a lead teacher to oversee the programs.
7. Increase number of dual enrollment and advanced placement credit offerings for students to stay at Pace.
8. Increase number of students enrolling in two year and four year colleges and/or universities, military, and/or career readiness pathways.
9. Increase numbers of students passing TSI, SAT, ACT, AP Tests and Dual Enrollment classes to assist students in earning an Associates Degree

### **Problem Statements Identifying Demographics Needs**

**Problem Statement 1:** Students need academic, social, and emotional support services in order to graduate with their cohort. **Root Cause:** Multidimensional Factors: low educational achievement, low commitment to school, no extracurricular participation, high family mobility, low socioeconomic status, low contact with the school; family disruption, etc.

# Student Academic Achievement

## Student Academic Achievement Summary

Pace Early College High School met standard in all the indicies of the Texas Education Agency 2019 Accountability Report. The indicies and scores in Student Achievement, 90; School Progress, 92 , Closing Performance Gaps, 83, and Post secondary Readiness/CCMR with a scaled score of 96. Overall, Pace scored 89.3% narrowly missing the rating of "A." As a campus, all subjects combined scored 82% of students, with 81% as approaches GL Standard or Above, 60% Meets, and 22% Masters GL Standard. Passing rate for sub populations was 53% for special education, 82% for economically disadvantaged, 62% for English language learners. Pace ECHS earned the accountability rating of "B" and The Top 25% on Comparative Academic Growth.

In Spring 2019 English Language Arts I, as a campus group 67% of students scored at approaches GL, 51% of students Meets GL and 8% Masters GL. The passing rate for sub populations was 23% for special education, 67% for economically disadvantaged, 27% for English language learners.

In Spring 2019 English Language Arts II, as a campus group 70% of students scored at approaches GL, 53% of students Meets GL and 5% Masters GL. The passing rate for sub populations was 16% for special education, 71% for economically disadvantaged, 34% for English language learners.

In Spring 2019, Algebra I as a campus group 99.31% of students scored at approaches GL, 94% of students Meets GL and 77% Masters GL. The passing rate for sub populations was 92% for special education, 98% for economically disadvantaged, 98% for English language learners.

In Spring 2019, U.S. History as a campus group 91% of students scored at approaches GL, 67% of students Meets GL and 35% Masters GL. The passing rate for sub populations was 62% for special education, 92% for economically disadvantaged, 81% for English language learners.

In Spring 2019, Biology as a campus group 93% of students scored at approaches GL, 67% of students Meets GL and 15% Masters GL. The passing rate for sub populations was 71% for special education, 92% for economically disadvantaged, 77% for English language learners.

Advise TX College Advising Corps works to increase the number of low-income, first-generation college, and underrepresented high school students who enter and complete a postsecondary education by helping students to apply for financial aide, scholarishps complete college applications and registration for college entrance exams. The program model utilizes near-peer advisers by placing well-trained recent college graduates from four Texas partner institutions of higher education as full-time college advisers in high schools with historically low college-going rates. This program assists with post-secondary student achievement.

## Student Academic Achievement Strengths

The Texas Education Agency calculates student progress based upon current and prior year performance in different areas for each student. When compared to similar schools across the state Pace ECHS in the most recent accountability report scored in the Top Quartile (Q1) indicator AP Participation in ELA

with 37.6% of students taking an AP exam. In mathematics Pace ECHS scored Top Quartile (Q1) indicator Accelerated Student Growth in Mathematics with 75% and Algebra 1 Performance Masters Grade Level (Q1) with 67% of the students that tested. In the area of science, Pace ECHS scored Top Quartile (Q1) indicator AP examination participation with 21%. In Social Studies, Pace ECHS scored Top Quartile (Q1) indicator AP examination participation with 34.4%. In Comparative Academic Growth (AG) Pace ECHS has a scaled score of 88 and 86 scaled score in Comparative Closing the Gaps (CTG).

## **STUDENT ACHIEVEMENT NEEDS**

Based on the 2019 data, ELLs and SPED Sub-populations under ELA I and ELA II continue to be areas in need of improvement. However, we cannot lose sight of assisting all populations who make Pace their learning place:

1. Provide targeted, data driven tutorials for EOC, AP, PSAT, SAT, ACT, and TSI after school and on Saturdays.
2. Provide the library with funds for updated reading materials, books, technological resources targeting all students, but especially, our ELL and Special Education populations, and funds for makerspace activities.
3. Continue regaining of credit and enrichment opportunities for all student populations throughout the year.
4. Continue providing students access to EOC formatted materials, classroom supplies, and access to instructional technology/software to learn process skills for the EOC exams.
5. PFS students require additional resources and technology to successfully complete the high school curriculum and any and all post-secondary readiness assessments.
6. Continue providing students assistance for post-secondary education through the "ADVISE TEXAS" program and other Guidance and Counseling Activities, such as University Day, Financial Aid Night, and University Signings, etc.
7. Separate writing and reading classes for EOC I and EOC II with two separate teachers in order to give students a stronger language foundation.
8. Continue having PE teachers will implement TEKS with Scope and Sequence for all students, in particular, coordinate activities with the Adapted PE Teachers to address CATCH, IEP's, and ELPS in lesson plans, which will enable students to see learning across the curriculum.
9. Continue having non-tested and non-core teachers implement reading, writing, summarizing, and speaking process skills in classrooms.
10. Pace will continue utilizing -PAPA (Parenting and Paternity Awareness) curriculum-CATCH (Coordinated Approach to Child Health) program, and -SHAC (School Health Advisory Committee) to address areas including Prevention of Dating Violence and sexual abuse of children.

## **Problem Statements Identifying Student Academic Achievement Needs**

**Problem Statement 1:** One-third of English and English II students failed EOC **Root Cause:** Reading instructional time provided and the interventions used were not enough to close the performance gap.

# School Processes & Programs

## School Processes & Programs Summary

Pace Early College High School administration is comprised of the Principal, one Dean of Instruction, and 5 Assistant Principals, four of which serve one grade level and one Assistant Principal who is dedicated to our IDEA students. Pace Early College High School also employs teachers that are highly qualified to teach in their content areas for all academic areas. New teachers are provided support through a variety of ways by the Dean of Instruction, including mentor teachers, campus administration, and trainings both inside and outside the district. Current initiatives to build capacity include a cohort of teachers receiving support to teach students at a higher level of rigor. Another group of teachers have been provided with scholarship opportunities to attain a master's degree in their content area through the UTRGV.

Professional growth opportunities are offered at the district level during the school day, after school, weekends, and out of district as needed. Topics include At-Risk Instructional strategies, rigor, data analysis, EOC (STAAR), Literacy, DOK, Bloom's Taxonomy, AP, Dual Enrollment, GT and many others. The expectation at Pace ECHS is that teachers attend professional growth opportunities as needed and determined in collaboration with faculty and administration.

Teachers will be recipients of awards during the annual Pace ECHS Awards Night Ceremony which takes place in the Spring Semester. Students will write about who is the most influential teacher in their lives and the teachers with the most stories received win the coveted "Apple Award." Teachers feel celebrated, which helps with retention and recruitment. Other awards that are recognized at Pace are "Teacher of the Year."

Pace Early College High School instructors seek to deliver lessons that are highly engaging, high yield educational practices, targeted around the TEKS. Specifically, Pace Early College has provided a research based instructional strategies for all classroom teachers and continues to implementing the common instructional framework along with strategies to improve literacy in all content areas. Additionally, Pace Early College Faculty consistently utilizes the District Scope and Sequence to plan and deliver aligned instruction and assessment in all subject areas. Throughout the current school year, the faculty continues to receive coaching, training, ongoing professional development, and support in all of the content areas and is empowered to meet the needs of our students. Moreover, Pace Early College will continue seeking out and implementing response-to-intervention strategies, using rigorous assessments as tools for learning, identifying and refining current data systems to better track student progress. Student data provided through eSchools and Eduphoria will continue identifying and assessing our strengths and weaknesses in our instructional practices if we are to realize greater gains in narrowing our current achievement gaps in a culture of high performance.

Pace has recently undergone a transformation in many ways, one of the most important changes has been the recent designation as an Early College High School. The Early College design is geared towards making at-risk students college ready before they graduate so that they may also earn college credits while in high school. Spring 2019, Pace welcomed the second cohort. A new ECHS Director for the campus was also named. CTE numbers also increased. The recently acquired Science, Technology, Architecture, and Medical Professions (STAMP) Program proved successful with Pace Students and Science, Technology, Engineering, Mathematics (STEM) Programs were also added and will allow students to study in the high demand fields and earn distinctions for program completion upon graduation.

Instructional technology at Pace Early College is a tool used as part of the learning environment for the administration, teachers, and students as we work together to promote student achievement infused with 21st century technology skills. Amongst the tools provided to teachers and students are teacher computers, laptops on wheels for classroom use, ipads on wheels for classroom use, student computer labs, mobi school pads, and cps clickers. Software offered includes Edgenuity, APEX, and Cloud Learning.

## **School Processes & Programs Strengths**

### **Identified strengths for staff quality, recruitment, and retention include the following:**

1. Opportunities for qualified teachers to teach Dual Enrollment & AP courses.
2. Pace Learning Opportunities paid after school through special programs, advanced academics, and special education funds.
3. Opportunities to attend professional development in AP, GT, Honors, AP, EOC, CTE, and DE trainings that are research-based, best practices, pedagogy, and/or content specific.
4. Instructional Alignment meetings held throughout the school year for all core areas and electives by strand and department.
5. Opportunities for teachers to win awards: Teacher of The Year and The Apple Award.
6. Culture of receiving and using feedback from administration/peers to increase effectiveness through instructional rounds, strand meetings, PLC's.

### **STAFF QUALITY, RECRUITMENT, RETENTION NEEDS:**

1. Provide paid curriculum writing opportunities for teachers to horizontally and vertically align curriculum and create integrative lessons with other departments that are TEKS aligned.
2. Recruit and retain the number of teachers with master degrees so that more dual enrollment classes and articulated classes can be offered.
3. Continue providing all teachers and staff members relevant opportunities for staff development/conferences in and out of the district, regional, and state; especially teachers who serve special populations.
4. Increase the number of AP courses offered and monitor quality of instruction provided in those courses.
5. Provide new teachers and underperforming teachers with a mentor teacher and instructional coaching.
6. Equal accountability for non-tested teachers as tested area teachers.
7. Provide quality training on data-driven instruction, instructional technology, writing quality assessments linking to instruction, differentiated instruction for all sub-populations, in addition to, literacy instruction, tiering classes, integrating instructional technology, and using data to drive curriculum, instruction and assessments; advanced functions of data driven/research-based PLC's.

### **The following strengths can be noted when assessing curriculum, instruction and assessment practices at Pace Early College High School.**

1. Data driven analysis from district benchmarks to formulate targeted interventions for students.
2. Curricular support from curriculum specialists in all core area subjects.
3. Instructional support from the Dean of Instruction.

4. Scope and sequence provided by the district curriculum office.
5. Edgenuity Program is available for student remediation in all core areas and can also be used for SAT and TSI tutorials.
6. EOC STAAR practice books available to all EOC teachers for remediation. (Online Programs).
7. Print teacher created materials for continuous use throughout the school year through media services.
8. Curricular, instructional, and data meetings between campus administration and core teachers held weekly.

### **CURRICULUM, INSTRUCTION, AND ASSESSMENT NEEDS:**

1. Synchronize curriculum, instruction, and assessments in core area subjects amongst teachers to more effectively track student progress.
2. Provide paid curriculum writing opportunities for teachers to horizontally and vertically align curriculum and create integrative lessons with other departments that are TEKS aligned, write tests, etc.
3. Consistently implement the College and Career Readiness Standards across all grade levels.
4. Ensure that all teachers are furnished with subject area materials, including access to technology, such as clickers or other educational software.
5. Create differentiated curriculum that meets the needs of our diverse learners (specifically, ensuring rigorous, college ready curriculum for our highest performing students.
6. Provide quality training on data-driven instruction, instructional technology, writing quality assessments linking to instruction, differentiated instruction for all sub-populations, in addition to, literacy instruction, tiering classes, integrating instructional technology, and using data to drive curriculum, instruction and assessments.
7. Provide access to professional development opportunities for Turn Around Trainings, make/take sessions, and other professional development deemed necessary to meet the needs of all students and/or specific populations.
8. Update and maintain technology for remediation, tutorials, instruction, testing, labs, digital books for both teacher and student use.
9. Continue supplying teachers toners, printers, desktops, and any instructional materials that can be used for classroom use.
10. Create more infrastructure to support the campus and classrooms for built in mini-labs for teacher and student use.
11. Equip all classrooms, including the gym, with right sized screens and projectors for small and large audience capacities for mass groups of students/presentations.

### **The following strengths can be noted when school context and organization at Pace Early College High School:**

1. Weekly meetings with department & strand teachers that discusses data, synchronizes lessons and assessments
2. One administrator and counselor assigned by grade level and one administrator handling only the special education department
3. CTE strands clustered to facilitate career strand planning.
4. Early College High School designated for at-risk freshman students, with one administrator as a ECHS Director and one ECHS designated counselor assigned to students
5. Master schedule includes prescriptive interventions for students
6. Weekly at-risk team meetings to decrease the dropout rate and find strategies to keep students on track for graduation
7. Weekly counselor meetings with administration present to discuss scheduling, CCMR Progress, and other related issues
8. Modified block schedule and hybrid schedule to ensure that special population academic and social needs are met  
Counselors and CPO review transcripts to ensure that students are in correct class and career pathway placement and are on track to graduate on time

and with CCMR point

10. Meetings with teachers on implementation of IEP's every six weeks- Coordination Day, Communication Day , or meetings with teachers as needed on IDEA concerns

### **SCHOOL CONTEXT AND ORGANIZATION NEEDS:**

1. Ensure that important dates and events , team schedules, athletic events, tutorial schedules are all posted on the Pace main web page, social media page, and other platforms allowable by the district.
2. Professional development on poverty and economic issues surrounding students: homelessness, hunger, dropout prevention strategies, Pregnancy Related Services, provisions of the McKinney Vento Act, etc.
3. Scheduling considerations for SPED teachers to plan with their general education counterpart.
4. For English I and English II, separate reading and writing subjects and hire additional teachers to give teachers one prep.
5. Campus room assignments given by grade level for a school within a school concept.
6. Increase professional development or seminars to parents, teachers, and students on safety and social issues that affect high school students including bullying, suicide awareness, vaping, character development, dating violence, etc.

### **Problem Statements Identifying School Processes & Programs Needs**

**Problem Statement 1:** Professional Development needs to be targeted so that the needs of ELL and SPED are integrated in the training. **Root Cause:** More planning with SPED and general education counterparts needs to occur plus more training on EL strategies needs to be focused in all classes and not just designated classes.

# Perceptions

## Perceptions Summary

Pace Early College High School administration and staff takes preventive measures for safety and emergency management purposes. Procedures to promote safety include stationing security personnel at various points of school for monitoring. Personnel at Pace include 4 security guards, 2 police officer and 1 probation officer. Disciplinary policies are progressive with counseling services offered at various stages of the discipline process. Discipline data was entered in review 360 where it was subsequently tracked for trends in behaviors. Widespread student participation in activities is promoted through events such as Meet The Viking, Meet the Teacher Night, Spaghetti Dinner, and other student oriented activities. Students are actively recruited for programs during the lunch periods and after school.

At Pace Early College High School parents take an active role in their children's education. Pace has taken steps to facilitate the communication between parents and teachers with the goal of improving the academic program. Teachers at Pace are encouraged to communicate with parents especially for concerns over the student's academic progress and attendance. All teachers at Pace have been provided with a classroom phone and parent contact log which ensures ongoing communication throughout the school year. Additionally teachers have been provided with website development training which opens the door to digital communications through email and assignments posted on teacher websites.

## Perceptions Strengths

**Amongst the many strengths that Pace Early College High School has to offer to the community and the faculty the following have been identified as major strengths.**

1. Designation as an Early College High School
2. Incorporating community serviced days, such as the Big Event.
3. At-Risk Counselor Support for students at risk of dropping out.
4. Early College High School Counselor and Director for support in Dual Enrollment.
5. Drop Out Prevention Specialist support to increase the graduation rate and prevent students from dropping out.
6. Effective interventions for all student populations

## SCHOOL CULTURE AND CLIMATE NEEDS:

1. Decrease the number of discipline referrals.
2. Increase the number of teacher sponsored student clubs.
3. Provide trainings for students and teachers on bullying and other social/emotional issues from qualified staff.
4. Increase faculty and staff attendance rate during the school year and district sponsored events.

5. Provide at least two culture and climate surveys throughout the school year.
6. Provide teacher and student news on the announcements, newsletters, social media platforms, and the marquis throughout campus.
7. Increase number of award ceremonies highlighting student achievement for all student populations.
8. Provide more security, lighting, and landscaping; update building/continue with renovation projects
9. Provide more multi-purpose buildings such as the gym and the auditorium that can be used to meet the needs of the community and campus.

**The following strengths can be noted when assessing Family and Community Involvement practices at Pace Early College High School.**

1. Consistent parent attendance at regular parent meetings.
2. Free tax preparation for community and parents.
3. Meetings held for sub-populations including migrant and LEP students.
4. Home visitors and dropout specialists visit with parents of students exhibiting difficulty staying in school and passing classes.
5. 10 percentage points more of Pace ECHS parents strongly agree they are involved with decision-making at their school compared to high school parents district wide.

**FAMILY AND COMMUNITY INVOLVEMENT NEEDS:**

1. Increase the number of parents attending the parental involvement meetings by offering meetings at flexible times
2. Have more family oriented activities for parents that are meaningful and will recruit more parents to meetings.
3. Include at-risk team members in parental involvement meetings.
4. Offer parents a variety of healthy snacks and refreshments at parental involvement meetings.
5. Provide parents with opportunities to volunteer and become involved with school functions.
6. Recruit all parents to register for the Home Access Center so they can stay abreast of their child's academic and absentee information
7. Campus will provide counseling services in a timely manner to economically disadvantaged students.
8. The campus will have the necessary resources to conduct home visits as needed for absent and failing students.
9. Migrant parents will have meetings to ensure timely services and passing grades.
10. Migrant dept. will provide school supplies, clothing and hygiene products for migrant students as needed.
11. Pace ECHS will provide community service one day a year to it's surrounding community.
12. Provide Parent Liaison with electronic equipment supplies and consumables for parent activity purposes.

**Problem Statements Identifying Perceptions Needs**

**Problem Statement 1:** Parents participation for meetings and gatherings are limited to certain hours. **Root Cause:** Parent work during the day and cannot participate.

# Priority Problem Statements

**Problem Statement 1:** Students need academic, social, and emotional support services in order to graduate with their cohort.

**Root Cause 1:** Multidimensional Factors: low educational achievement, low commitment to school, no extracurricular participation, high family mobility, low socioeconomic status, low contact with the school; family disruption, etc.

**Problem Statement 1 Areas:** Demographics

**Problem Statement 2:** One-third of English and English II students failed EOC

**Root Cause 2:** Reading instructional time provided and the interventions used were not enough to close the performance gap.

**Problem Statement 2 Areas:** Student Academic Achievement

**Problem Statement 3:** Professional Development needs to be targeted so that the needs of ELL and SPED are integrated in the training.

**Root Cause 3:** More planning with SPED and general education counterparts needs to occur plus more training on EL strategies needs to be focused in all classes and not just designated classes.

**Problem Statement 3 Areas:** District Processes & Programs

**Problem Statement 4:** Parents participation for meetings and gatherings are limited to certain hours.

**Root Cause 4:** Parent work during the day and cannot participate.

**Problem Statement 4 Areas:** Perceptions

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## Improvement Planning Data

- District goals
- Campus Performance Objectives Summative Review from previous year
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

## Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations
- Federal Report Card Data
- PBMAS data
- Alternative Education Accountability (AEA) data
- Local Accountability Systems (LAS) data

## Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR Released Test Questions
- Texas English Language Proficiency Assessment System (TELPAS) results
- Postsecondary college, career or military-ready graduates including enlisting in U. S. armed services, earning an industry based certification, earning an associate degree, graduating with completed IEP and workforce readiness
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- SAT and/or ACT assessment data
- PSAT and/or ASPIRE

- Local diagnostic reading assessment data
- Local diagnostic math assessment data
- Student failure and/or retention rates
- Observation Survey results
- Grades that measure student performance based on the TEKS

### **Student Data: Student Groups**

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- EL/non-EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, and gender data
- Career and Technical Education (CTE), including coherent sequence coursework aligned with the industry-based certifications, program growth and student achievement by race, ethnicity, and gender data
- STEM/STEAM data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data
- Dual-credit and/or college prep course completion data

### **Student Data: Behavior and Other Indicators**

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Violence and/or violence prevention records
- Tobacco, alcohol, and other drug-use data

### **Employee Data**

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data

- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- TTESS data

### **Parent/Community Data**

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

### **Support Systems and Other Data**

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Budgets/entitlements and expenditures data
- Study of best practices

# Goals

**Goal 1: Pace students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Campus #1 and TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).**

**Performance Objective 1:** Performance Objective 1:

Pace student performance for all students, all grades, all subjects will exceed 2019 EOC percent Approaches Grade Level, Meets Grade Level, and EOC Masters Grade Level performance in reading, writing, mathematics, science and social studies by 5 percentage points.

**Evaluation Data Source(s) 1:** EOC performance reports; benchmark scores, report cards, tutorial logs/lesson plans

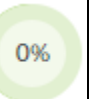

**Summative Evaluation 1:**

**Targeted or ESF High Priority**

<b>6300 Subtotal:</b>		<b>\$300.00</b>

# **Title I Schoolwide Elements**

## **ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)**

### **1.1: Comprehensive Needs Assessment**

SBDM and campus leadership reviewed the 2018-2019 CNA in May 2019 as the basis to create our 2019-2020 CNA. The 2019-2020 CNA is part of the Campus Improvement Plan (pages 5 to 14). The groups reviewed data from other plans, accountability results and other assessment results, demographics, behavior, employee and parent survey data. In addition to the items checked off in the CNA data documentation, the campus reviewed their SACSCOC parent, student, and teacher survey data. Campus departments reviewed the CNA data and drafts in May 2019 during weekly departmental meetings and August 14, 2018 to provide feedback to the SBDM. The CNA was updated to reflect the current needs in each of the CNA areas especially those related to student academic performance by the SBDM. There will be several meetings throughout the year to continue updating the campus plan and CNA. The last meeting held June 10, 2019 led to the decision to hire two more teachers to assist the ELA I and II Team as scores did not meet the district and campus expectations. A discussion on resources was also part of the agenda as well. Additionally, more training on PLC will be done as we are reconfiguring our teams for next year.

## **ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)**

### **2.1: Campus Improvement Plan developed with appropriate stakeholders**

The Campus Improvement Plan was refined late May 2019 before we adjourned for the summer. Nominations for SBDM members were held late August and the 2019-2020 final SBDM elections were held Monday, September 16th, 2019. This was delayed a week because of progress reports, new members, and unexpected resignations as the new year began. New members were also elected into our 2019-2020 SBDM. Members of the SBDM, department chairs, and campus faculty and staff reviewed and revised the plan and the final drafts of the 2019-2020 campus plan in order to be ready for the October Board meeting. However, reviewing and revising the committee this process will continue through SBDM subcommittees along with faculty input will continue throughout the year.

The lists of the Pace SBDM and Department Chairs and roles are located at the end of the Campus Improvement Plan. More people will be added throughout the year as needed.

### **2.2: Regular monitoring and revision**

The SBDM and other faculty and staff regularly review the strategies in the 2018-2019 Campus Improvement Plan during SBDM Meetings and Departmental meetings. The campus plan will continue to be monitored through these meetings through out the school year at least quarterly. The reviews are documented in the formative reviews in Plan4Learning. The SBDM met late May and early

June to review and make recommendations for the CIP. There will be monthly meetings to review and revise the 2019-2020 CIP.

## **2.3: Available to parents and community in an understandable format and language**

CIP is made available to the public, parents and TEA through the BISD and Pace ECHS websites as well as hard copies available on campus in English. Through parental involvement meetings, presentations, and open house, parents are provided information regarding the Campus Improvement Plan activities in both English and Spanish. The CIP information is translated to Spanish by campus staff upon request. We are currently looking to see how we can the CIP translated into Spanish, which is the dominant language for the region aside from English.

## **2.4: Opportunities for all children to meet State standards**

Pace ECHS has included strategies in Goal 1 and Goal 9 to provides students, in particular students at-risk and those provided special services, with opportunities to meet state standards through challenging classroom instruction that includes appropriate instructional materials, campus developed and state assessments, and access to core area instructional intervention and accelerated instruction activities.

## **2.5: Increased learning time and well-rounded education**

The campus increases the learning time and accelerated instruction to strengthen the academic programs throughout the year by offering before and after school Pace Learning Opportunities, Saturday academies, and accelerated instruction in all core academic areas for at-risk students. The campus also offers after-school accelerated credit recovery Graduation Assistance Program (GAP) and Students Taught in Alternative Routes to Success (STARS) programs. The campus also developed a modified block schedule for the week to increase the learning time for students. Algebra I and English I are on block schedules all year long. This will allow our at-risk students to concentrate on the EOC and advanced tiering will be done throughout the year based on class and test data.

## **2.6: Address needs of all students, particularly at-risk**

Pace ECHS students are provided opportunities in all core areas for accelerated instruction in academic areas. They are also provided with extended day and week regaining of credit opportunities through computer-based and modular instructional resources. The campus ensures that qualified and highly effective teachers, including Special Education teachers are assigned to teach and support At-Risk and students served through Special Programs (SPED, EL, and Migrant).

# **ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)**

## **3.1: Develop and distribute Parent and Family Engagement Policy**

Parents reviewed and revised the School-Parent-Student Compact and Parent and Family Engagement Policy for 2019-2020 on March 5, 2019. After meeting as a parent group, the parents presented the revised Compact and Parent Engagement Policy to the SBDM on May 22, 2019 for final review and revisions. The Parent-Student Compact and the Parent Family Engagement Policy are available on the Pace website for parents to view and download in both English and Spanish. Parents were given copies at the Title I Meeting held Tuesday, September 17, 2019. Copies were also disseminated at the weekly parent meeting in both English and Spanish on Tuesday, September 24, 2019. Pace will also distribute another opportunity in English and Spanish of the Parent-Student Compact and Parent Engagement Policy at Open House on September 30, 2019. The list of individuals with their roles and the policy have been included as an addendum to the CIP.

## 3.2: Offer flexible number of parent involvement meetings

Pace ECHS offers weekly Parent sessions on Tuesday mornings from 9:30 am to 11:30 am at the campus parent center (C124) that include informational meetings and parent education opportunities provided by the Campus Parental Liaison, Parental Involvement Trainer and guest presenters. There will also be parent meetings the first Monday of every month in the evenings to reiterate the information learned in the morning. Other outreaches to parents include evening sessions such as the FAFSA Spaghetti Night, Dual and AP enrollment and college readiness information, and Career and Technical Education program information. The Parent Liaison and Attendance Liaison will continue conducting Home visits to support student attendance, academic performance, and other program information. Pace ECHS faculty and staff also provide sessions and seminars in English and Spanish to increase parental involvement at all functions. Moreover, at Open House the campus provides child care through the Career and Technical Education Teacher student organization. We want all major stakeholders at Pace to feel included and valued.
