## THIS WEEK'S ACTIVITIES

- Daily COVID screening for all who enter site located in job trailer.
- Forming and pouring of footings and thermomass walls.
- Installation of site utilities including water main, storm sewer, and sanitary sewer.
- Grading of the site and hydroseeding of Athletic Field to provide a new greenspace for activities.

### Fun Fact:

The site is 692,604 square feet which is equal to about 1,496,552 iPads laid end-to-end. Knutson uses technology, such as iPads, to review jobsite plans, timelines and budgets.
